REPORT ON INDUSTRIAL VISIT

The Department of Computer Science organized an Industrial Visit for the Final year UG and PG students for two days (19.10.2023 & 20.10.2023). The total number of students were 55 accompanied by 3 Professors – Mr.P.Ramachandran, Mr.A.Prakash & Mr.S.Krishnan. The Industrial visit began on 18th October 2023 evening, all the students assembled at Santhosh theatre opposite ground, Dharmapuri. First day – Kanniyakumari, Thiruvalluvar Statue, Vivekananda Rock Memorial, Courtallam and Second day – Kodaikanal, Kodaikanal Thalayar Water falls, Guna cave. This trip gives us a nice experience and joyfulness. Students are enjoyed during that trip.

The details of journey are as follows:

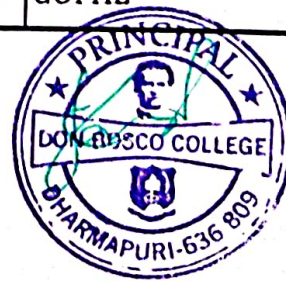

1. We started traveling from Dharmapuri to Kanniyakumari at 08:30 P.M on 18th Oct 2023.
2. We reached to Kanniyakumari at morning 07:30 A.M.
3. We Visited Kanniyakumari, Thiruvalluvar Statue, Vivekananda Rock Memorial.
4. After the lunch we visited Courtallam Falls at 04:30 P.M.
5. Next day we visited Kodaikanal, Kodaikanal Thalayar Water falls, Guna cave and Palani Temple at 08:15 P.M.
6. Finally, we started travelling at 12:30 P.M from Palani to Dharmapuri.
7. We reached at 6.00 A.M to Dharmapuri on 21st Oct 2023.

DEPARTMENT OF PHYSICS

REPORT ON INDUSTRIAL VISIT 2024

Department of Physics, Don Bosco College, Dharmapuri, organized an Industrial Visit to Kudankulam Nuclear Power Plant on 18.03.2024 & 19.03.2024. Dr. N.K Asokan, Scientific Officer, welcomed us and guided through the entire unit. The staff members were warm, helpful and eager to share their knowledge with the participants. The outline and the process were introduced by the power point presentation regarding the activities and history of the reactor.

We were given with the opportunity of understanding following things at reactor: Water purification, Nuclear reactor. Power generation by nuclear reactor. The Students understood the concept of electrical energy generation and transmission. During the visit, the students visited the turbine unit, generator unit, generating side transformers, fish protection system, reactor cooling system and control room simulator. This visit gave more information about the types of nuclear reactor and type generator used for generating electricity. The KNPP staff provided detailed explanations, allowing the participants to understand the intricacies of each system.

An inspiring interaction took place when the group had the privilege of meeting the station Director Mr. Vel Maiyil Murugan. They also gave video shows and exhibition. The industrial visit to the Kudankulam Nuclear Power Plant gave the student volunteers an immense experience and a deeper understanding of nuclear power generation.

Finally we left at 5.00 p.m. from Kudankulam Nuclear Power Plant and reached Kanyakumari around 6:30pm. There the students enjoyed and 19.03.2024 we went to Mathoor Aqueduct and Thirparappu Water Falls. Finally we reached Dharmapuri at 07.00 a.m. on 20.03.2024.

Regarding IV Permission on 15-03-2024

Respected Sir/Madam,

I hope this letter finds you well. My name is Mr. S. Ramkumar, and I am writing on behalf of Don Bosco College, Dharmapuri. We are keenly interested in gaining insights into the operations and technology of nuclear power generation. With this in mind, we would like to request permission for an industrial visit to the Kudankulam Atomic Power Station for our Physics students. This visit aims to provide our students and staff with a practical understanding of nuclear power plant operations, safety measures, and environmental considerations. We understand the importance of security and safety protocols at such facilities and assure you that our group will adhere to all guidelines set by the Kudankulam Atomic Power Station authorities. We plan to come on this date 15.03.2024, Staff (7) and Students (25). Additionally, we understand the complex processes involved in nuclear power generation. We believe that this visit will greatly benefit our students and contribute to their academic development. We look forward to your positive response.

Thank You

Sincerely,
S. Ramkumar

DEPARTMENT OF B.A.JMC (DIGITAL PRINT MEDIA)

REPORT ON MUSEUM VISIT

Place : Visvesvaraya Industrial and Technological Museum,
Bangalore

Date : 21st July 2023

No. of Students : 20

An educational tour to Visvesvaraya Museum, Bangalore on 21st July, 2023 was arranged by the Department of B.A JMC (DIGITAL PRINT MEDIA) for the *First Year UG students*.

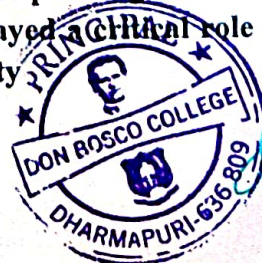

The Visvesvaraya Industrial and Technological Museum is a science museum located in Bangalore, India. It was established in memory of Sir M. Visvesvaraya, a notable engineer and statesman from India. The museum's purpose is to educate visitors about the various industries and technologies of India, as well as to inspire interest in science and technology.

Observations and Findings:

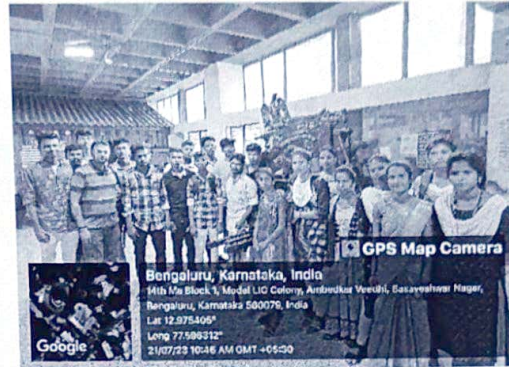

During the tour, we were able to visit various exhibits and participate in interactive activities. Some of the key observations and findings from the tour are as follows:

- **Science and technology exhibitions:** The museum have a variety of exhibitions that showcase the advancements in science and technology. We observed that the exhibitions are well-designed and informative, making it easy for visitors to understand the concepts.
- **Interactive activities:** The museum has several interactive activities that allow visitors to experience science and technology first-hand. For example, we participated in an activity that showed how electricity is generated and transmitted.
- **Science shows:** The museum regularly conducts science shows, which are educational and entertaining. During our visit, we watched a show that demonstrated the sea creatures in the name "Blue Magic."

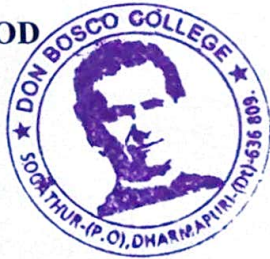

The Visvesvaraya Industrial and Technological Museum has exhibits showcasing the history and development of the printing industry in India. The museum's exhibits provide a comprehensive look at the evolution of printing technology over the years, and demonstrate how the printing industry has played a crucial role in shaping the growth and development of India's economy and society.

Overall, the educational tour provided a rich and diverse learning experience for all participants. Overall, the group came with the valuable resource in learning about science and technology
