ABOUT THE COLLEGE

Don Bosco College, Sogathur, Dharmapuri, A World Wide Educational Institution belongs to the salesians of Don Bosco. The Motto "Healthy Mind in a Healthy Body" is the guiding principle of the college. This is an abbreviation of the statement "Your Prayer must be for a sound mind in a sound body" from the Latin poet Juvenal giving a prescription for happiness. The logo conveys the message that Don Bosco College (DBC) shines as a bright burning candle imparting knowledge symbolized by a book, thus influencing the world. The words EXCELLENCE and EMPOWERMENT indicate human and academic excellence, the hallmark of Don Bosco College which enables all the students to empower the world in which they live.

ABOUT THE DEPARTMENT

The Department of Chemistry was started during the academic year 2009-2010 to render service to the student community of this rural area in order to meet the emerging global challenges in the field of chemistry. The Department is facilitated with a well-equipped and specialized laboratory. The Department also offers opportunity to the students to do small projects to develop their research learning in the undergraduate level itself. The Department is upgraded as PG Department in the year 2014.

Area of Focus

Recent Trends in Chemistry

- 1) General Chemistry
- 2) Green Chemistry
- 3) Medicinal Chemistry
- 4) Analytical Chemistry
- 5) Nano Chemistry
- 6) Eco - Friendly Materials

The above topics can be presented in the seminar (Oral / Poster). Abstract should be submitted to the e - mail ID

manimegalai1512@dbcddharmapuri.edu.in

The best 3 Oral / exhibition / poster presentations will be awarded

For your kind attention

NATIONAL LEVEL SEMINAR REPORT [ESTER '23]

Department : PG Department of Chemistry

Seminar Date : 19.10.2023 & 20.10.2023

“Evolution of Science Theory and Experimental Realization” (ESTER '23)

The PG Department of Chemistry conducted a National Level Seminar on 19.10.2023 & 20.10.2023 in Bosco hall, Don Bosco College, Dharmapuri. The seminar was conducted in hybrid mode to facilitate the participants from other states too. The topic of the seminar was “Evolution of Science Theory and Experimental Realization” (ESTER '23). The honorable dignitaries were **Rev. Fr. J. Angelo Joseph, SDB**, Principal of our College, **Rev. Fr. S. Bharathi Bernadsha**, Vice-Principal of our College, **Dr. Sivakumar Santhanam**, Assistant Professor of Chemistry, ERK College, Harur, **Mr. Sabareesan Arunachalam**, Team Manager, Reliance Life Science, Mumbai, **Dr. D. Saravanakumar**, Assistant Professor of Chemistry, Pachamuthu College, Dharmapuri and **Mr. B. Moorthi**, Lecturer in Chemistry, Government Polytechnic College, Palacode.

The seminar was started with registration of participants at 8:45 a.m. Total number of participants was around 350. The entire program was organized by conveners **Mr. M. Adhiaman** and **Mrs. C. Mageshwari**. The inaugural session was started at 9:30 a.m. with the welcome address by **Mrs. C. Mageshwari**.

Rev. Fr. J. Aneglo Joseph, SDB, gave the presidential address and later the introduction speech was given by **Mrs. S. Manimegalai**, Head of the Department of Chemistry. At 10:00 a.m. the first session was “Catalysts in Multidimensional Applications” presented by resource person **Dr. Sivakumar Santhanam**, Assistant Professor of Chemistry, ERK College, Harur. He presented the Importance of Catalyst, Classes of Heterogeneous catalyst, types of catalytic mechanism, and medical & clinical application in catalysis. After the lunch break, students displayed their models as an exhibition. The Exhibits were judged by the special invitee **Dr. D. Saravanakumar**, Assistant Professor of Chemistry, Pachamuthu College, Dharmapuri.

On the second day of the seminar, **Rev. Fr. Charles, SDB**, gave the presidential address and later the introduction was given by **Mr. M. Adhiyaman**, the convener of this seminar. The first session was **"The Emerging Role of Oligonucleotide as a Drug in Pharma Industry"** animated by resource person **Mr. Sabareesan Arunachalam**, Team Manager, Reliance life science, Mumbai. After the tea break, the students' presentations on the recommended topics were organized and it was judged by the resource person of the day, **Mr. Sabareesan Arunachalam** and **Mr. B. Moorthi**, Lecturer in Chemistry, Government polytechnic College, Palacode. The feedbacks were collected from the students.

The valedictory address was delivered by **Rev. Fr. S. Bharathi Bernadsha**, Vice-Principal of our College. **Mrs. M. Sathya**, Assistant Professor, Department of Chemistry announced the winners. The dignitaries distributed the prizes and certificates for winners and participants. Finally the vote of thanks was proposed by **Mr. K.Sakthivel**, Assistant Professor, Department of Chemistry. The two days event was concluded with national anthem.

DON BOSCO COLLEGE

Don Bosco College is one of the premium 58 Universities and Colleges run worldwide by the Salesian Society of St. John Bosco. Don Bosco University, Gauhati and Sacred Heart College (Autonomous), Tirupattur are its sister institutions. Founded in 2007, it has at present 1600 students on its rolls, with 11 UG and 8 PG courses apart from 4 M.Phil. courses. MSW, a specialized course is run by this outstanding educational institute. The College is located 5 kms from Dharmapuri town and about 1.5 kms from Sogathur Cross Roads Junction. In addition, from 2013 the same management runs the Don Bosco College of Education in a nearby campus. Don Bosco College stands head and shoulders above others in winning trophies in games and sports in Periyar University, Salem.

THE DEPARTMENT OF ENGLISH

The Department of English started in the year 2009 with UG course, the faculty count is 13. PG course was started in the year 2011 and the present student strength is 110. The department offers M.Phil. course in regular mode from 2014. Our students have bagged numerous prizes at intercollegiate competitions. A well equipped library and internet browsing facilities in the campus are a great boon to their learning resources. The English Department is packed with talent and punch among its staff and students.

We have been organizing and conducting the DB MUSE – Intercollegiate Fest for the last thirteen years. The festival provides a golden opportunity for students from many colleges to showcase their histrionic talents and literature competence. The Prospero Literary Association organizes very useful programmes and competitions for the students from time to time.

ABOUT THE SEMINAR

The Word “Criticism” is the most often used one to describe negative commentary about something or writing style and theme of a particular writer in the particular time.

Therefore, Literary Criticism is the art of judging and commenting on the qualities and character of literary works.

To explore the domain of criticism from peripheral to central, it is well known that criticism has a date back evolution starts from Plato to modern critics.

This Seminar is intended to serve as an intensive and focused introduction to Classical Criticism, Medieval Criticism, Romanticism, Twentieth Century Criticism and Contemporary Criticism; and to enrich the knowledge of the academicians through interaction with each other and to highlight the core concept of Criticism and its types with reference to various other works and to enable anyone in critical thinking.

Felicitation: Dr.M.Sambath, Assistant Professor of Mathematics, Periyar University,Salem.

& Dr.Sandra Pinelas Academia Militar, Portugal are felicitated by Rev.Dr.J.Angelo Principal & Rev. Dr.S. Bharathi Bernadsha, Vice Principal cum Assistant Professor of Physics , Don Bosco College, Dharmapuri.

Master of Ceremony: S. Umavathi III-B. Sc. Mathematics Anchored the Ceremony.

Welcome Adress: Mr. K. Edward, Assistant professor, Department of Mathematics welcomed the gathering.

Session I :

Chief Guest Introduction : Mr.K.Jai Shankar, Head Cum Assistant Professor of Mathematics, Don Bosco College, Dharmapuri have introduced Dr.M.Sambath, Assistant Professor of Mathematics, Periyar University,Salem.

Topic : Non Differential Equations in Physics

Dr.M.Sambath has initiated the session with basic Principles in Mathematics & Physics which ignited the minds of participants about applications of science studies in our day to day life. The real life applications of sciences was depicted in presentable PPTs & videos. The whole session filled with acquirement of knowledge.

Session II :

Chief Guest Introduction : Rev. Dr.S. Bharathi Bernadsha, Vice Principal cum Assistant Professor of Physics , Don Bosco College, Dharmapuri has introduced Dr.Sandra Pinelas Academia Militar, Portugal.

Topic : Differential Equations with Applications

Dr.Sandra Pinelas made a stupendous presentation by bringing experts and the young participants in one technical platform for the exchange of concepts in pure and applied field of Mathematics.

Vote Of Thanks : Words of Gratitude read by Mr.K.Jai Shankar, Head Cum Assistant Professor of Mathematics, Don Bosco College, Dharmapuri.

International Conference on Applied Sciences

(ICAS-2024)

PROGRAMME: Day-2

Master of Ceremony: S.Sujan I-B.Sc. Physics Anchored the Ceremony.

Welcome Address: Mr.S.Ramkumar, Head Cum Assistant professor, Department of Physics welcomed the gathering.

Session I :

Chief Guest Introduction : Mrs.R.Poongothai, Assistant Professor of Physics, Don Bosco College, Dharmapuri has introduced Dr.G.Thirupathi, Assistant Professor of Physics, Bharathiyar Institute of Engineering for Women, Deviyakurichi, Salem.

Topic : Basics of nano technology and synthesis of nano particle

Dr.G.Tirupathi has filled the session with basic principles Nano-technology in Physics. He explained about the rapidly expanding area of research with huge potential to revolutionize our lives which provide technological solutions to our problems.

Session II :

Chief Guest : Rev. Dr.S. Bharathi Bernadsha, Vice Principal cum Assistant Professor of Physics , Don Bosco College, Dharmapuri.

Topic : Energy Resources & Solar Usages

Rev.Dr.S Bharathi Bernadsha, has gave an insight vision & foreseen reasons in the usages of solar energy which is a natural power from the sun. He has detailed Renewable form of energy which is inexhaustible and affordable.

Vote Of Thanks : Words of Gratitude read by Mrs.K.Yuvarani, Assistant Professor of Physics, Don Bosco College, Dharmapuri.

5. Delivered a key note address about the topic of "Non Linear Differential Equation in Population Dynamics" on 18.11.2022 at Department of Mathematics, Pachamuthu College of Arts & Science for Women, Dharmapuri.
6. Resource person for the Six Sigma Association Inauguration & Seminar on "Some Interesting Elementary Problems in Mathematics" on 27.09.2022 at PG Department of Mathematics, Arasu College of Arts and Science for Women, Karur.
7. Delivered a Guest Lecture on "Non- Linear Differential Equations and its Applications" on 01.09.2022 at Department of Mathematics, Kailash Women's College, Nangavalli, Salem.
8. Resource person for Seminar under the title "Mathematical Models in Population Dynamics" on 06.04.2022 at Department of Mathematics, Jairams Arts and Science College, Karur.
9. Delivered a speech in One Day Workshop on "Latex Theory and Practical's" on 20.01.2020 at Department of Mathematics, Government Arts & Science College, Hosur.
10. Resource person in the "National Workshop on Dynamical System with MATLAB and its computations" on 10.01.2020 at Department of Mathematics, Alagappa University, Karaikudi.

Paper Presentation Conference & Seminars:

- ❖ Dynamics Analysis of prey predator model of Gause type with hyperbolic functional response, National Conference on Recent Advances in Industrial and Applied Mathematics, Periyar University, Salem-11 during July 27-28, 2023.
- ❖ A modified Holling Tanner predator prey model with delay, National Conference on Partial Differential Equations and applications, Periyar University, Saelm-11, March 5-6, 2020
- ❖ Turing instability of a predator-prey model with Mond-Haldane response, International Conference of Indian Society of Industrial and Applied Mathematics (IC-ISIAM 2019) – Bharathiar University, Coimbatore, December 5-7, 2019.
- ❖ Stability analysis of a fractional order three species prey predator model, One day National Conference on Computational Topology and Differential Equations (NCCTDE-2018) on 21st April 2018 at DRDO BU CLS, Bharathiar University, Coimbatore.
- ❖ Stability Bifurcation of a diffusive predator-prey model with hyperbolic mortality, 4th National Conference on Advances in Differential Equations and Applications – Periyar University, Salem, March 23-24, 2017.
- ❖ Numerical solution of a fish farm model by Laplace adomian decomposition method, International Conference on Differential Equations and Applications (ICDEA-2017) – Department of Mathematics, Bharathiar University, Coimbatore, March 15 & 16, 2017.
