## PG & RESEARCH DEPARTMENT OF MATHEMATICS

The aims of National Mathematics Day, celebrated on December 22nd every year, are to:

- Highlight the contributions of Srinivasa Ramanujan, a legendary Indian mathematician
- Stress that formal education is not the only way to achieve success
- Encourage children to think critically and logically
- Raise awareness about the importance of mathematics for humanity
- Encourage a positive attitude towards learning mathematics
- Inspire young people to learn mathematics
- Foster a positive attitude toward mathematics
- Train mathematics mentors and students through camps and various exercises
- Feature the development and innovations that can be carried to society with the assistance of mathematics

## Objective of Celebrating National Mathematics Day

The celebration of National Mathematics Day in our college aims to highlight the importance of mathematics in various fields and to encourage students to pursue careers in mathematics and related fields. It is also a way to pay tribute to the contributions of Ramanujan and other great mathematicians from India and to recognize their contributions to the development of mathematics. By honoring the contributions of mathematicians like Ramanujan, it is hoped that more people will be inspired to study and research mathematics and that the field will continue to grow and thrive in nation and around the world.

## PG DEPARTMENT OF MATHEMATICS

### REPORT ON NATIONAL MATHEMATICS DAY

The Department of Mathematics celebrated National Mathematics Day to commemorate Shri Srinivasa Ramanujan's 136th birth anniversary in our college on Friday, December 20, 2024, from 12:30 p.m. to 1:30 p.m. as a tribute to the internationally renowned mathematician to get inspiration from his accomplishments significant contributions to the field of mathematics. Though Srinivasa Ramanujan had almost no formal training in pure mathematics, he made substantial contributions to mathematical analysis, number theory, infinite series, and continued fractions, including solutions to mathematical problems then considered unsolvable.

On the day of celebration, some talented students from classes III B.Sc., Mathematics took part in a variety of activities and events, such as talks on topics Ramanujan's Life, puzzles on testing mind ability, and a short video depicted the works of Sri Ramanujan.

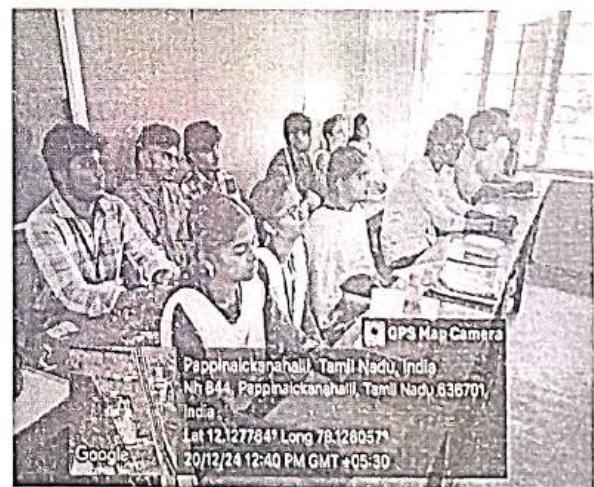

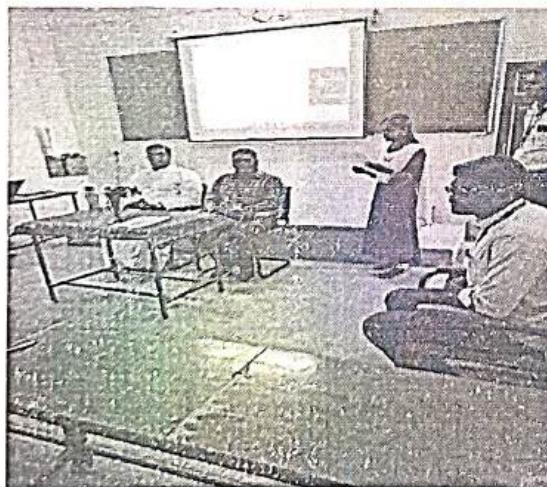

The events not only entertained the students but also boosted their confidence, raised their interest levels, and led them to realize the significance of mathematics. This program would certainly inculcate and promote the positive attitude needed to develop passion for mathematics among the present generation.

The magnificent support from the chief Guest, Rev.Fr. Christopher Alexander, Vice principal, Mr. N. Senthil Kumar, Class Mentor was really appreciable.

In the success of the National Mathematics Day Celebration, the efforts put by all mathematics faculty of the department are admirable

**PG DEPARTMENT OF CHEMISTRY  
NATIONAL SCIENCE DAY (25/02/25)**

## AIM:

National Science Day, celebrated on February 28 in India to honor Sir C.V. Raman's discovery of the Raman Effect, aims to promote scientific temper, encourage curiosity, and foster innovation. It highlights the contributions of scientists and the role of science in daily life. This celebration inspires future scientists and showcases advancements in various fields. Through seminars, workshops, and exhibitions, it bridges the gap between the scientific community and the public, emphasizing science's role in solving global challenges and improving lives.

**OBJECTIVE:**

National Science Day, observed on February 28, commemorates Sir C.V. Raman's discovery of the Raman Effect in 1928. It highlights the importance of science in society by promoting scientific temper and fostering curiosity. The day recognizes the contributions of scientists and researchers while encouraging young minds to pursue careers in science. Through seminars, exhibitions, and events, it raises awareness about advancements in science and technology. National Science Day also emphasizes the need for continued research and innovation to address global challenges and improve society and the environment.

## NATIONAL SCIENCE DAY REPORT

### ORGANIZED BY PHYSICS, CHEMISTRY AND MATHEMATICS

Time: 11.00 am to 1.30 pm

Venue: Assembly Hall

Date: 25/02/25

National Science Day was celebrated on February 25, 2025, with great pomp and enthusiasm at the school. The inauguration ceremony was graced by the esteemed presence of the principal and the vice principal, adding a touch of grandeur to the event.

An impressive display of 40 models, including various working models, was thoughtfully prepared and presented by talented students, showcasing their ingenuity and scientific knowledge. The exhibition attracted attention not only from the school community but also from students of three other schools: Auxilium Matric School, Amala Convent in Attukaram Patti, and Amala Higher Secondary School in Vimalapuri.

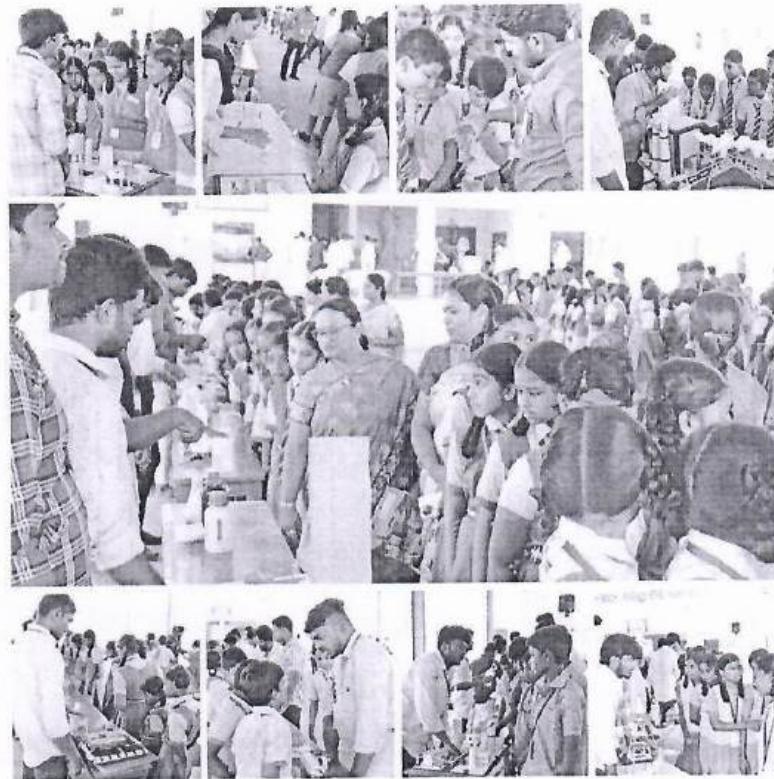

The event provided a platform for young minds to collaborate, exchange ideas, and inspire one another to further explore the wonders of science. It was a day filled with innovation, creativity, and a shared passion for learning, making this National Science Day celebration a memorable experience for all participants.

## NATIONAL SCIENCE DAY REPORT

### ORGANIZED BY PHYSICS, CHEMISTRY AND MATHEMATICS

Time: 11.00 am to 1.30 pm

Venue: Assembly Hall

Date: 25/02/25

#### Outcomes:

The outcomes of National Science Day are significant in fostering scientific curiosity and awareness among individuals of all ages. This annual celebration serves as a platform to highlight groundbreaking advancements, encourage scientific innovation, and inspire the younger generation to pursue careers in science and technology.

Through various educational programs, interactive exhibitions, and knowledge-sharing sessions, National Science Day showcases the relevance and impact of science in daily life. By promoting scientific literacy and instilling a sense of wonder and appreciation for the natural world, this event plays a crucial role in shaping the future of scientific research and discovery.

Moreover, it helps bridge the gap between the scientific community and the general public, fostering a culture that values evidence-based decision-making and embraces the spirit of exploration and inquiry.

## PG DEPARTMENT OF MATHEMATICS TEACHERS' DAY REPORT

DATE: 05.09.2024

TIME: 9.00 am to 10.00 am

VENUE: Assembly Hall

The Department of Mathematics organized 'Teachers day' on 05.09.2024 in the Assembly Hall between 9.00 am to 10.00 am. The master of ceremony was given by Ms. G. Aruna of II M.Sc Mathematics student. The welcome address was given by Ms. A. Elakiya, of II M.Sc Mathematics student.

The Chief Guest of the program Rev. Dr. Robert Ramesh Babu, Rector and Secretary, Don Bosco College, addressed the gathering and shared the information about the Dr. Radha Krishnan whose birthday is commemorated as teachers' day.

My teaching experience begins in Don Bosco College. The chief guest also appreciated the faculty members for being ladders and candle who sacrifice their life for the upliftment of the students' life and who never envy the growth of the students.

Vote of thanks was proposed by Mr. K. Jaishankar, Head of Mathematics Dept.

The entire Teachers day program was coordinated by Rev. Fr. Christopher Alexander, Vice Principal, Don Bosco College.

**Outcome:**

1. Entrepreneurs with developed skills are more likely to create innovative products, services or solutions that can address market gaps and societal needs.
2. As entrepreneurs build businesses they often create employment opportunities for others contributing to reducing unemployment and improving living standards.
3. Skills in Entrepreneurship help individuals better assess and manage a risk which is essential in navigating business challenges and uncertainties.
4. Many entrepreneurs use their skills to create businesses with social missions, addressing issues such as poverty, education or environmental sustainability, resulting in positive social change.
5. Developing entrepreneurship skills fosters resilience, leadership communication and decision making abilities, contributing to overall personal and professional growth.

## PG DEPARTMENT OF CHEMISTRY

ACADEMIC YEAR (2024-2025)

### Aims of Pollution Awareness Programme:

- To educate people about different types of pollution and their effects.
- To promote the use of eco-friendly habits and products.
- To encourage reduction, reuse, and recycling of waste.
- To spread awareness about conserving natural resources.
- To motivate communities to take action for a cleaner environment.
- To develop a sense of responsibility towards protecting nature.

### Objectives of Pollution Awareness Programme:

- To make people understand the causes and consequences of pollution.
- To inform about the harmful effects of pollution on health and environment.
- To encourage participation in pollution control activities.
- To promote sustainable and eco-friendly practices.
- To inspire individuals and communities to reduce pollution levels.
- To support government and local initiatives for a cleaner environment.

### GREEN CAMPUS

### POLLUTION AWARENESS PROGRAMME

PARTICIPANTS: CLUB MEMBERS

DATE :16-07-2024

TIME: 11.45 AM-01.30 PM

Pollution awareness programme was organised Tamilnadu pollution control board on 16.07.24 in the for II- B.Sc Chemistry students and club members.

Tamilnadu pollution control board district officer gave a talk about the pollution increasing environmental issues arising day by day and how we can protect ourselves and the environment. Pollution , in any form, is destructive to the environment , whether it be in the form of air, water, land or noise. Deforestation is also caused by using forest areas for agriculture livestock, grazing, fuelwood, harvesting and logging. Speech on trees, saving mother earth is important for students as it will make them aware of how to use natural resources and how a healthy balance can be maintained between the environment and human life.

## YOUTH RED CROSS

### YRC- World Heart Day

#### Aim:

World Heart Day is observed on September 29th each year, with the primary aim of increasing awareness about cardiovascular diseases (CVDs), their prevention, and management. The key focus is on educating people about the risk factors associated with heart diseases and encouraging healthy life style changes that can reduce the risk of heart conditions.

#### Objectives of World Heart Day:

1. Raise Awareness: To educate individuals and communities about the dangers of cardiovascular diseases, which are among the leading causes of death globally.
2. Promote Healthy Lifestyles: Encourage people to adopt healthy behaviors, including regular physical activity, a balanced diet, and avoiding smoking and excessive alcohol consumption.
3. Highlight Risk Factors: Emphasize the importance of controlling risk factors such as high blood pressure, cholesterol levels, and diabetes, which are key contributors to heart diseases.
4. Policy Advocacy: Encourage governments, health organizations, and stakeholders to implement policies that support heart health, such as creating smoke-free environments and promoting physical activity in schools and workplaces.

## DEPARTMENT OF PHYSICS

### Report on World Heart Day

On September 30th, 2024, World Heart Day aims to raise awareness about cardiovascular diseases, which lead cause of death globally. For college students, it serves as a reminder to adopt heart-healthy habits early on, such as regular exercise, balanced nutrition, and avoiding smoking or excessive alcohol consumption. Poor lifestyle choices during youth can increase long-term heart risks. To commemorate this day, a session by Prof. S. Regina Mary, Assistant Professor of the Department of English at Don Bosco College, Dharmapuri, organized in the campus to educate students on heart health. Her insights empowered students to make healthier choices to reduce their risk of cardiovascular diseases. The event successfully raised awareness about life-saving first-aid knowledge. Prof. M. Sekar coordinated the whole programme, and it concluded with a formal vote of thanks.

## RRC

### CIRCULAR

The Red Ribbon Club is organizing an **Orientation Programme** for newly enrolled members of the club on 14-07-2025. The primary objective of this programme is to introduce students to the aims, objectives, and activities of the RRC and to promote awareness on issues related to **HIV/AIDS, blood donation, and youth empowerment.**

  
HOD

### **AIM OF THE PROGRAMME:**

To introduce students to the Red Ribbon Club (RRC), its mission, and core activities, while encouraging active participation in health awareness, social responsibility, and community service through initiatives like Eye Camps and Cancer Awareness programs.

### **OBJECTIVES:**

- **To create awareness** among students about the purpose, vision, and functioning of the Red Ribbon Club.
- **To educate students** on critical health issues, including **HIV/AIDS prevention, cancer awareness**, and general health practices.
- **To promote voluntary blood donation** as a humanitarian and life-saving act.
- **To encourage participation in community health initiatives**, such as **Eye Camps**, to serve the underprivileged and rural populations.
- **To develop leadership, communication, and organizational skills** among students through active participation in RRC events.
- **To foster a spirit of social responsibility** and civic consciousness in youth.
- **To empower students** to become health ambassadors and peer educators within the campus and local communities.
- **To create platforms** for student involvement in cancer prevention programs, awareness rallies, and medical outreach.
- **To strengthen collaboration** between faculty, healthcare professionals, and students in organizing impactful health camps and awareness drives.

## REPORT

### Orientation Programme, Organized by RRC at Don Bosco College, Dharmapuri

The Red Ribbon Club (RRC) of **Don Bosco College, Dharmapuri** successfully conducted its "Introductory and Orientation Programme" on **15th July 2025**. The event aimed to welcome new members, introduce them to the club's objectives, and provide a roadmap for its future activities. The programme was conducted under the guidance of the College Secretary, **Dr. Robert Rameshbabu**, and was presided over by the College Principal, **Dr. K. Anand**, who delivered the presidential address. In his speech, Dr. Anand highlighted the vital role that the Red Ribbon Club plays in shaping socially responsible youth and fostering awareness about health and service-oriented initiatives. The event was graced by the presence of **Rev. Fr. Christopher Alexander** and **Rev. Fr. Thomas George**, the Vice Principals of the college, along with the College Bursar, **Rev. Fr. Amala Vanan**. All dignitaries emphasized the importance of active student participation in community service and health awareness campaigns facilitated by RRC. During the orientation, students were given a detailed introduction to the objectives of the Red Ribbon Club. The session included interactive discussions on the significance of social work, youth involvement in health awareness, and the power of volunteerism. Emphasis was laid on the club's mission to educate youth on HIV/AIDS prevention, promote voluntary blood donation, and instill leadership qualities through service. As part of the programme, students prepared and displayed informative charts illustrating the goals and activities of the RRC, contributing to the educational impact of the session. Additionally, **Mr. Vishal K.**, a student of the college, delivered the reading content, effectively engaging the audience with clarity and enthusiasm. Faculty members and students enthusiastically participated in the programme, making the event a grand success. Their involvement underscored the growing interest among students towards contributing meaningfully to society. The entire event was meticulously organized by **Mr. S. Krishnan**, the RRC Coordinator and Faculty Member, whose efforts were deeply appreciated by all attendees. The programme not only inspired students to engage in social service but also laid a strong foundation for future RRC initiatives at Don Bosco College.

Date : 15 - 07 - 2025

### RRC – Orientation Program Reading Content

இன்றைய நிகழ்வில் பங்கேற்கும் மாணவ, மாணவியர்களே, ஆசிரியர்களே, உங்கள்அனைவருக்கும் என் மனமார்ந்த வணக்கங்கள்.

நம்மை சுற்றியுள்ள சமூகத்தில் விழிப்புணர்வை ஏற்படுத்தும் ஒரு அருமையான நம்மை சுற்றியுள்ள சமூகத்தில் விழிப்புணர்வை ஏற்படுத்தும் ஒரு அருமையான இயக்கமான Red Ribbon Club அறிமுக நிகழ்வில் உங்களை சந்திப்பது மிகுந்த மகிழ்ச்சியானது.

இந்த இயக்கம் தேசிய எய்ட்ஸ் கட்டுப்பாட்டு அமைப்பின் கீழ் செயல்பட்டு வருகிறது. மாணவர்களை மையமாகக் கொண்டு உருவாக்கப்பட்ட இந்த இயக்கம், HIV/AIDS பற்றிய உண்மை தகவல்களை பரப்பும் பணியை நம்மிடையே வைக்கிறது. தவறான நம்பிக்கைகளை நீக்கி, பாதுகாப்பான பழக்க வழக்கங்களை ஊக்குவிக்கிறது.

இன்றைய இளைஞர்களிடம் சமுதாயத்தை மாற்றும் ஆற்றல் உள்ளது. அதற்காக அவர்களுக்கு தேவையான விழிப்புணர்வு, சமூகப்பொறுப்பு மற்றும் மனிதனேயம் ஆகியவற்றை இந்த இயக்கம் ஊக்குவிக்கிறது. இந்த அமைப்பு மாணவர்களை வழிகாட்டிகளாக மாற்றுகிறது. மற்ற மாணவர்களுக்கு வழிகாட்டும் திறனை வளர்க்கிறது. சமூகத்தில் ஒருவராக நம்மால் செய்யக்கூடிய சிறிய செயல்கள் பெரிய மாற்றங்களை ஏற்படுத்த முடியும் என்பதை உணர்த்துகிறது.

RRC மூலம் நாம் HIV/AIDS பற்றி உண்மையான தகவல்களை தெரிந்துகொள்ளலாம், பாதுகாப்பான வாழ்க்கை முறையை கற்றுக் கொள்ளலாம், சமூகத்தில் நம்மால் விழிப்புணர்வு ஏற்படுத்த முடியும். இது ஓவ்வொருவரின் தனிப்பட்ட வளர்ச்சிக்கும், சமூக நலத்துக்கும் உதவும்.

Red Ribbon Club என்பது வெறும் கல்வி நிறுவனத்துக்குள் இருந்துவரும் அமைப்பு அல்ல. இது ஓவ்வொருவரிடமும் மாற்றத்தைத் தூண்டும் ஒரு சக்தி. நமக்குள் விழிப்புணர்வு இருந்தால் மட்டுமே, பிறருக்கு நாம் விழிப்புணர்வு ஏற்படுத்த முடியும். சமூக நலன் காக்க அறிவோம், பரப்புவோம், செயல்படுவோம்.

“To Protect Health – Let us Learn, Spread and Act”.

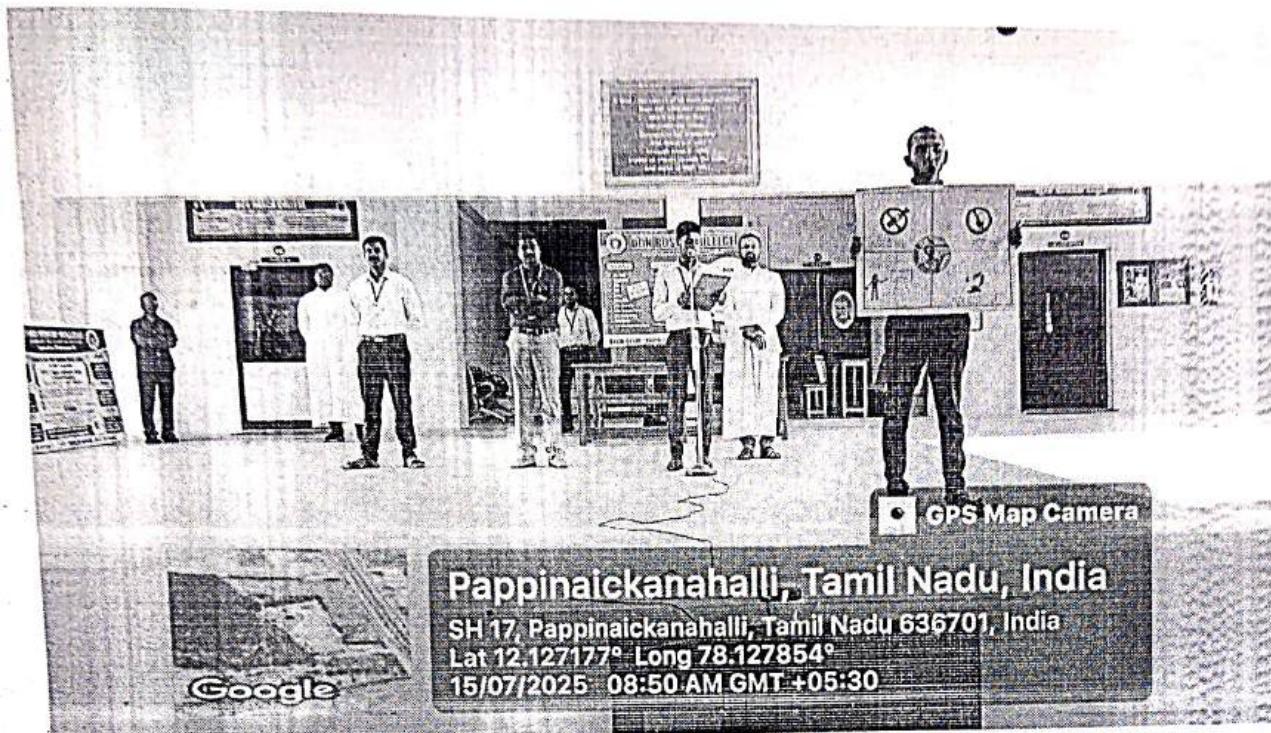

**நன்றி! வணக்கம்!**

பற்றி விரிவாக விளக்கப்  
பட்டது. மேலும் பேராசிரி  
யர்கள் மற்றும் மாணவர்கள்  
கலந்து கொண்டனர்.

இந்நிகழ்ச்சியிற்கான  
ஏற்பாடுகளை செஞ்சுருள்  
சங்கத்தின் பொறுப்பாளர்  
மற்றும் பேராசிரியர்  
கிருஷ்ணன் செய்திருந்தார்.

## OUTCOMES OF THE PROGRAMME:

- **Enhanced Student Awareness:**  
Students gained a clear understanding of the Red Ribbon Club's objectives, including HIV/AIDS prevention, voluntary blood donation, cancer awareness, and health education.
- **Increased Student Participation:**  
The programme encouraged more students to join and actively take part in future RRC initiatives such as eye camps, blood donation drives, and awareness rallies.
- **Improved Sense of Social Responsibility:**  
Participants were inspired to contribute to society through health and community service activities, developing a greater sense of empathy and civic duty.
- **Skill Development:**  
Students developed valuable skills in leadership, communication, organization, and teamwork through event coordination and participation.
- **Educational Impact through Visuals:**  
The charts prepared and displayed by students visually communicated key health messages, reinforcing learning in an engaging way.
- **Effective Student Involvement in Program Delivery:**  
The reading and presentation by Mr. Vishal K., a student, demonstrated active student involvement and boosted confidence and public speaking skills.
- **Foundation for Future Health Initiatives:**  
The orientation laid the groundwork for organizing upcoming activities like cancer screening camps, eye camps, health seminars, and blood donation drives.
- **Faculty-Student Collaboration Strengthened:**  
The program fostered stronger collaboration between faculty members and students in promoting health awareness and social welfare.

## DEPARTMENT OF COMMERCE COMMERCE DAY Evaluation Report

The Commerce day Programme has been organized by the Department of Commerce, from 5<sup>th</sup> August, 2024. In the presence of Mr.P.Nagamani, Head of the Department give wonderful speech to our college students. The objective of the event was to create awareness about commerce stream and spread the message that commerce subjects are interesting to study.

The function was a success and imparted the message that commerce is fun; commerce is important to everyone'. Mr.M.Suresh assistant professor department of commerce felt that commerce day celebration was one of the ways in which international-mindness would be developed in the students.

The objective of the event was spread the word and encourage the participants to show their appreciation for trader's efforts around the world. It's an inexpensive yet powerful method to commemorate the occasion.

Around 1200 students attend the programme from our college. It was a great experience for all those who attend it, learning and understanding the tactics commerce.

The programme concluded with vote of thanks proposed by Mr.P.Nagamani.
