PG & RESEARCH DEPARTMENT OF COMMERCE

REPORT ON INDUSTRIAL VISIT

Aim:

The primary aim of an industrial visit is to bridge the gap between theoretical knowledge and practical application by exposing students to real-world working environments, industry operations, and technologies. This fosters a more holistic understanding of their field of study.

Objectives:

The objectives of an industrial visit are typically centered around bridging the gap between theoretical knowledge and real-world practices:

- ✓ Practical exposure
- ✓ Understanding processes
- ✓ Industry-academia link
- ✓ Skill development
- ✓ Career insight
- ✓ Networking
- ✓ Innovation and trends
- ✓ Problem-solving perspective

On December 18, 2024, the Postgraduate Department of Chemistry embarked on an industrial visit to the ISRO facility in Mahendragiri. The journey began with a breakfast stop at Kela Eral before proceeding to Tiruchendur Temple for a brief visit. By 4:30 PM, the team arrived at the picturesque Nadar Uvari Beach, enjoying the serene coastal views. Later, at 7:30 PM, they visited Kanyakumari Beach, where they experienced the beauty of the evening sea. After a fulfilling dinner, the group retired for the night at Don Bosco Institute in Kuthenkully.

On the morning of December 19, 2024, after a hearty breakfast at Don Bosco Institute, the team departed for ISRO Mahendragiri at 9:15 AM. The visit provided valuable insights into space research and technological advancements. Later that day, the group explored the scenic beauty of Kutralam, a refreshing experience for all.

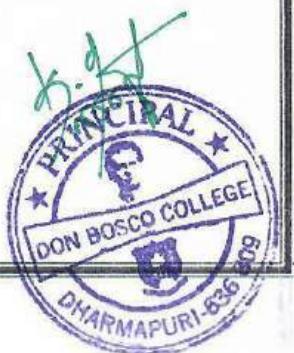

Finally, on December 20, 2024, the team reached Dharmapuri at 9:00 AM, marking the successful conclusion of the trip. The visit, spanning December 18–19, was both educational and enriching, offering students firsthand exposure to scientific research while allowing them to explore cultural and natural landmarks along the way.
