AIM AND OBJECTIVES

FOR INTERCOLLEGIATE SYMPOSIUM [SAIT'25]

AIM:

The aim of the intercollegiate symposium is to foster intellectual exchange, encourage innovation, and provide a platform for students to present their ideas, research, and technical expertise in a collaborative and competitive environment.

OBJECTIVES:

1. Knowledge Sharing: Facilitate the exchange of knowledge and ideas among students from various institutions.
2. Skill Development: Enhance technical, research, and presentation skills through workshops, paper presentations, and competitions.
3. Networking: Provide a platform for students, faculty, and industry experts to interact and build professional connections.
4. Innovation and Creativity: Encourage students to showcase innovative solutions to real-world challenges.
5. Teamwork and Collaboration: Promote teamwork through group discussions, hackathons, and collaborative events.
6. Industry Exposure: Offer insights into industry trends and advancements through guest lectures and panel discussions.
7. Competitive Spirit: Foster a healthy competitive environment through debates, technical quizzes, and project demonstrations.

REPORT ON INTER-COLLEGIATE TECHNICAL SYMPOSIUM – SAIT'2025

Organized by Sacred Heart College, Tirupattur

Date: 28th January 2025

The Department of Computer Applications, Don Bosco College, Dharmapuri, is delighted to present this report on the participation and achievements of our BCA students in the Inter-Collegiate Technical Symposium – SAIT'2025, held at Sacred Heart College, Tirupattur, on 28th January 2025.

The symposium was an excellent opportunity for students to **engage, compete, and demonstrate their technical knowledge, analytical thinking, and creativity** across a range of events. Our students made a remarkable impact, securing top positions in multiple competitions and gaining valuable experience.

Achievements of Our Students

We take immense pride in announcing that our students excelled in various categories, showcasing their dedication and skills.

First Prize Winners

1. **Paper Presentation**
 - o Nisar Ahmed N (III-BCA "A")
 - o Sahil SZ (III-BCA "B")
2. **Meme Mafia**
 - o Hariram (III-BCA "A")
 - o Mohammed Umar (III-BCA "A")

Third Prize Winners

1. **Just A Minute (JAM)**
 - o Mubarak Basaha (III-BCA "A")
 - o Sahil SZ (III-BCA "B")
2. **Code Blaster**
 - o Yuvaraj (III-BCA "B")
 - o Praveen (III-BCA "B")

These students have brought **honor and pride** to our institution through their outstanding performances.

Participation & Experience

Apart from the winners, several students enthusiastically participated in the symposium, gaining **valuable knowledge, exposure, and experience** in their respective fields. Their dedication and willingness to compete at the inter-collegiate level are commendable.

List of Participants:

From I-BCA:

- Henry John Britto
- Dhanasekar

From II-BCA "A":

- Inbarasan, Anbarasu
- Gokul, Harishkumar
- Aravindan, Infant Roshan
- Ashokkumar, Dharshanraj
- Favil Infant Joe

From II-BCA "B":

- Viji
- Ramu

From III-BCA "A":

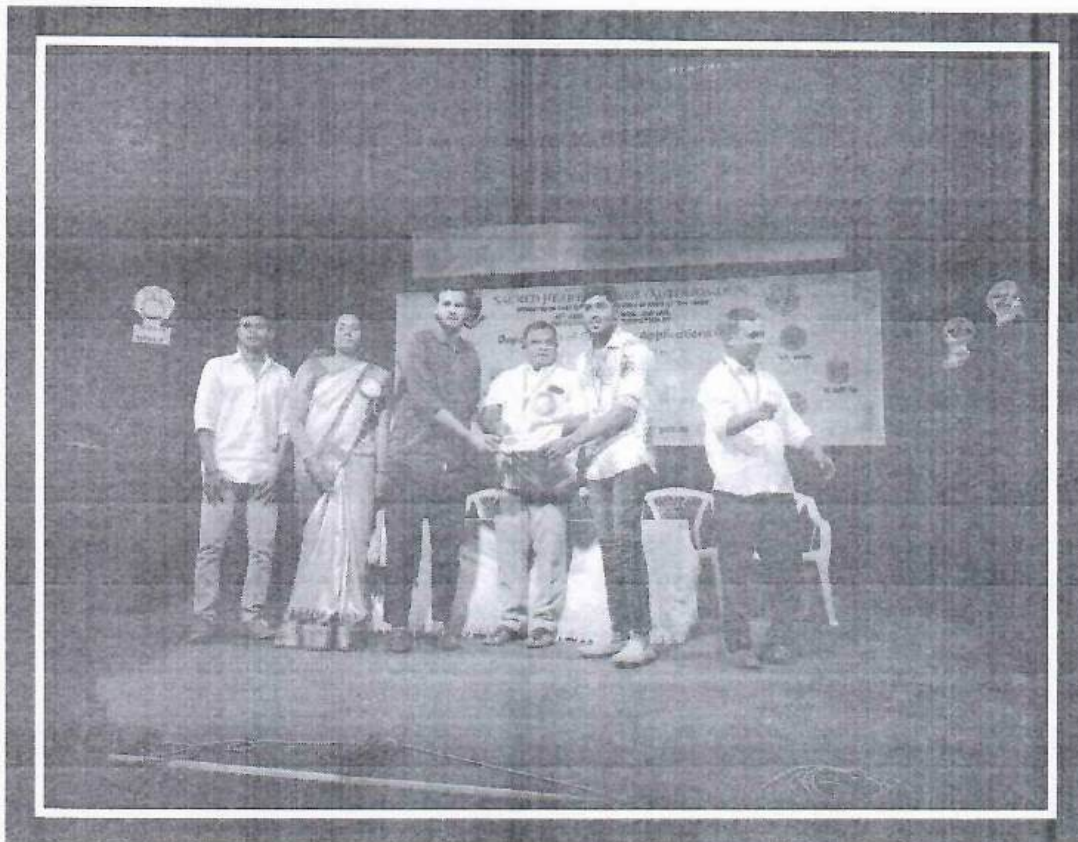

- Hariram, Nisar Ahmed
- Mubarak Basha, Hariprasath
- Mohammed Umar, Manigandan
- Harish

From III-BCA "B":

- Praveen
- Yuvaraj
- Sahil SZ
- Rajalingam

We applaud the **efforts and enthusiasm** of all participants for representing our institution in such a prestigious event.

Prize Distribution Ceremony

To honor the achievements of our students, a **Prize Distribution Ceremony** was conducted at our college. Our esteemed **Principal, Dr. K. Anand** and **Vice-Principal Rev.Fr.Thomas George** graciously handed over the **certificates and prize amounts** to the winners.

In his address, he **congratulated the winners** and encouraged all students to continue participating in such technical forums, emphasizing the importance of **continuous learning, innovation, and competitive spirit**.

The event served as a **moment of pride and inspiration** for all, motivating students to strive for excellence in future competitions.

Conclusion & Acknowledgments

The participation of our students in SAIT'2025 was a **resounding success**. Their achievements have not only **enhanced their skills** but also **brought recognition** to our institution.

We express our **heartfelt gratitude** to **Sacred Heart College, Tirupattur**, for organizing this event and providing students with a platform to **learn, compete, and excel**.

A special note of appreciation to our **faculty members, mentors, and the college management** for their **constant encouragement and support** in guiding our students toward success.

We look forward to many more such **opportunities for learning, collaboration, and achievement** in the future!

OUTCOMES

The outcomes of a **Technical Symposium** can be categorized into several key areas:

1. Knowledge Enhancement

- Participants gain insights into emerging technologies, research trends, and industry advancements.
- Exposure to expert talks, workshops, and panel discussions broadens technical understanding.

2. Skill Development

- Hands-on sessions and competitions help improve problem-solving, coding, and presentation skills.
- Opportunities to learn new tools, frameworks, and best practices in various domains.

3. Networking & Collaboration

- Connecting with industry professionals, academicians, and peers leads to potential collaborations.
- Participants build relationships that could help in future career or research opportunities.

4. Innovation & Research Encouragement

- Encourages students and professionals to work on innovative projects and present findings.
- Provides a platform for showcasing research papers, prototypes, and technical solutions.

5. Career Opportunities

- Industry-sponsored symposiums may include recruitment drives, internships, and job offers.
- Exposure to real-world challenges can help students align their skills with industry needs.

6. Confidence & Public Speaking

- Presenting papers, delivering talks, and participating in discussions enhance communication skills.
- Helps individuals overcome stage fear and build confidence in technical presentations.

7. Problem-Solving & Critical Thinking

- Competitions like hackathons and coding challenges promote innovative problem-solving.
- Participants learn to think critically and work under pressure.

8. Recognition & Awards

- Best papers, projects, and presentations receive awards, boosting morale and motivation.
- Recognition at such events adds value to resumes and professional profiles.

CIRCULAR

Date:03/02/2025

Subject: Invitation to BOS.CON '25 at DON BOSCO COLLEGE, YELAGIRI

Dear Students,

We are pleased to inform you that DON BOSCO COLLEGE, YELAGIRI is organizing BOS.CON'25, which is scheduled to be held on 06/02/2025 at Jubilee Hall from 09:30 am. This event provides a great opportunity to gain exposure, participate in competitions, network with experts.

Event Details:

Date:06/02/2025

Time:09:30 am-04:00 am

Venue:Don Bosco College, Yelagiri – Jubilee Hall

Who Can Participate:BCA, B.Sc., [CS]

Interested students are encouraged to register and participate actively.

For further details and registration, please contact:

Staff President – 9994124235

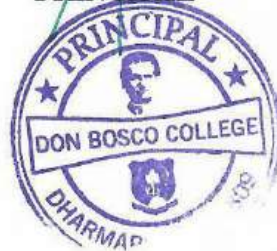

boscon@dbcyelagiri.edu.in

This is a great opportunity to represent our college and showcase your skills. We look forward to your enthusiastic participation!

AIM AND OBJECTIVES

FOR INTERCOLLEGIATE SYMPOSIUM [BOS.CON'25]

AIM:

The aim of the intercollegiate symposium is to foster intellectual exchange, encourage innovation, and provide a platform for students to present their ideas, research, and technical expertise in a collaborative and competitive environment.

OBJECTIVES:

1. Knowledge Sharing: Facilitate the exchange of knowledge and ideas among students from various institutions.
2. Skill Development: Enhance technical, research, and presentation skills through workshops, paper presentations, and competitions.
3. Networking: Provide a platform for students, faculty, and industry experts to interact and build professional connections.
4. Innovation and Creativity: Encourage students to showcase innovative solutions to real-world challenges.
5. Teamwork and Collaboration: Promote teamwork through group discussions, hackathons, and collaborative events.
6. Industry Exposure: Offer insights into industry trends and advancements through guest lectures and panel discussions.
7. Competitive Spirit: Foster a healthy competitive environment through debates, technical quizzes, and project demonstrations.

REPORT ON INTER-COLLEGIATE TECHNICAL SYMPOSIUM – BOS.CON'25

Organized by Don Bosco College, Yelagiri

Date: 06th February 2025

The Department of Computer Applications, Don Bosco College, Dharmapuri, is delighted to present this report on the participation and achievements of our BCA students in the Inter-Collegiate Technical Symposium – BOS.CON'25, held at Don Bosco College, Tirupattur, on 06th February 2025.

The symposium was an excellent opportunity for students to **engage, compete, and demonstrate their technical knowledge, analytical thinking, and creativity** across a range of events. Our students made a remarkable impact, securing top positions in multiple competitions and gaining valuable experience.

Achievements of Our Students

We take immense pride in announcing that our students excelled in various categories, showcasing their dedication and skills.

First Prize Winners

1. Pearl of BosCon
 - o Praveen (III-BCA "B")

Third Prize Winners

1. Project Ideathon
 - o Nisar Ahmed (III-BCA "A")
 - o Sahil SZ (III-BCA "B")
2. Code Blaster
 - o Yuvaraj (III-BCA "B")
 - o Praveen (III-BCA "B")
3. Web Designing
 - o Yuvaraj (III-BCA "B")
 - o Praveen (III-BCA "B")
4. Code Blaster
 - o Nisar Ahmed (III-BCA "A")
 - o Sahil SZ (III-BCA "B")
 - o Hariprasath (III-BCA "A")
 - o Mohammed Umar (III-BCA "A")
 - o Viji (II-BCA "B")
 - o Ramu (II-BCA "B")

These students have brought **honor and pride** to our institution through their outstanding performances.

Participation & Experience

Apart from the winners, several students enthusiastically participated in the symposium, gaining **valuable knowledge, exposure, and experience** in their respective fields. Their dedication and willingness to compete at the inter-collegiate level are commendable.

List of Participants:

From I-BCA:

- Henry John Britto
- Dhanasekar

From II-BCA "B":

- Viji
- Ramu

From III-BCA "A":

- Hariram
- Harish

From III-BCA "B":

- Poovarasu
- Rajalingam

We applaud the **efforts and enthusiasm** of all participants for representing our institution in such a prestigious event.

Prize Distribution Ceremony

To honor the achievements of our students, a **Prize Distribution Ceremony** was conducted at our college. Our esteemed **Principal, Dr. K. Anand** and **Vice Rector and Vice-Principal Rev.Fr.Thomas George** graciously handed over the **certificates and prize amounts** to the winners.

In his address, he **congratulated the winners** and encouraged all students to continue participating in such technical forums, emphasizing the importance of **continuous learning, innovation, and competitive spirit**.

The event served as a **moment of pride and inspiration** for all, motivating students to strive for excellence in future competitions.

Conclusion & Acknowledgments

The participation of our students in **BOS.CON'25** was a **resounding success**. Their achievements have not only **enhanced their skills** but also **brought recognition** to our institution.

We express our **heartfelt gratitude** to **Don Bosco College, Yelagiri**, for organizing this event and providing students with a platform to **learn, compete, and excel**.

A special note of appreciation to our **faculty members, mentors, and the college management** for their **constant encouragement and support** in guiding our students toward success.

We look forward to many more such **opportunities for learning, collaboration, and achievement** in the future!

OUTCOMES

The outcomes of a **Technical Symposium** can be categorized into several key areas:

1. Knowledge Enhancement

- Participants gain insights into emerging technologies, research trends, and industry advancements.
- Exposure to expert talks, workshops, and panel discussions broadens technical understanding.

2. Skill Development

- Hands-on sessions and competitions help improve problem-solving, coding, and presentation skills.
- Opportunities to learn new tools, frameworks, and best practices in various domains.

3. Networking & Collaboration

- Connecting with industry professionals, academicians, and peers leads to potential collaborations.
- Participants build relationships that could help in future career or research opportunities.

4. Innovation & Research Encouragement

- Encourages students and professionals to work on innovative projects and present findings.
- Provides a platform for showcasing research papers, prototypes, and technical solutions.

5. Career Opportunities

- Industry-sponsored symposiums may include recruitment drives, internships, and job offers.
- Exposure to real-world challenges can help students align their skills with industry needs.

6. Confidence & Public Speaking

- Presenting papers, delivering talks, and participating in discussions enhance communication skills.
- Helps individuals overcome stage fear and build confidence in technical presentations.

7. Problem-Solving & Critical Thinking

- Competitions like hackathons and coding challenges promote innovative problem-solving.
- Participants learn to think critically and work under pressure.

8. Recognition & Awards

- Best papers, projects, and presentations receive awards, boosting morale and motivation.
- Recognition at such events adds value to resumes and professional profiles.

PG DEPARTMENT OF CHEMISTRY

OTHER COLLEGE PARTICIPATION REPORT (2024-2025)

Aim:

To engage students in academic discourse by participating in seminars and conferences, fostering their understanding of emerging trends and research in their respective fields, and promoting cross-institutional collaboration and knowledge-sharing.

Objectives:

1. To provide students with exposure to advanced research topics and innovative practices in their field of study.
2. To enhance students' presentation and communication skills through the opportunity to present papers, posters, or ideas.
3. To encourage networking with peers, professors, and experts from other institutions, expanding their professional and academic connections.
4. To stimulate critical thinking and problem-solving by exposing students to different perspectives and approaches.
5. To promote a culture of lifelong learning and academic curiosity among students.

Outcome:

1. Students gained a deeper understanding of current research trends and developments in their field.
2. Participants improved their academic presentation skills and received feedback from experts, aiding in their personal and professional growth.
3. Students expanded their academic network, opening potential opportunities for collaboration, internships, or future research.
4. Attendees developed a broader perspective on various research methodologies and how to apply them in their own work.
5. The participation fostered enthusiasm for further research and academic engagement, contributing to the students' overall development.

Report

A team of students, led by S. Manimegalai, from our department attended the National Conference on Emerging Trends in Chemical Sciences for Sustainable Future held at Sacred Heart College, Tirupattur, on September 20, 2024. The participants, S. Elumalai, S. Harirajan, M. Suman, and G. Thamarai Selven, represented our institution through active engagement in various sessions of the conference.

Poster Presentation:

Among the highlights of the conference was the poster presentation by our students. Each of them showcased their research work and its relevance to the theme of sustainability in chemical sciences. S. Elumalai delivered an outstanding presentation that earned him the First Prize for his

exemplary work. His research attracted the attention of evaluators, marking a proud moment for our department.

S. Harirajan, M. Suman, and G. Thamarai Selven also participated enthusiastically, presenting their projects and gaining valuable insights from the expert feedback provided during the session.

Sessions and Discussions:

The topics discussed during the conference were immensely beneficial and aligned with current trends in sustainable chemical sciences. Our students found the sessions to be both motivating and thought-provoking, enhancing their understanding of how chemistry can contribute to a sustainable future. The discussions also served as a platform for networking with peers and experts in the field.

Conclusion:

The participation of our students in this prestigious event not only brought accolades to our institution but also inspired them to delve deeper into their academic pursuits. This experience has encouraged them to apply sustainable practices in their future research endeavors.

We commend the efforts of S. Elumalai, S. Harirajan, M. Suman, and G. Thamarai Selven for their dedication and for representing our institution at the National Conference. The first prize won by S. Elumalai is a testament to the hard work and knowledge of our students. Such participation is invaluable in broadening their horizons and fostering a culture of academic excellence in the field of chemical sciences.

About the College

Sacred Heart College (Autonomous) is a Minority Catholic Co-educational Institution, approved by UGC, New Delhi and Permanently affiliated to Thiruvalluvar University, Vellore, Tamil Nadu. The college was established in the year 1951 for the upliftment of urban and rural youth by the philanthropic of Salesians of Don Bosco, managed by the Salesians of Don Bosco (SDB), Chennai Province. The College is accredited with A+ Grade (CGPA of 3.31/4) in the 4th Cycle of NAAC. In 2023, The NIRF ranked our institution as the 42nd college among the colleges of India.

About the Department

The Department of Chemistry was established in the year 1961 and serves the purpose of imparting knowledge in chemical science, so that the students could be enabled to imbibe the knowledge in various disciplines of chemistry. Prof. N. S. Krishnaswamy became the first Head of the department of chemistry. Rev. Fr. Joseph Murphy SDB, who was then the principal assisted Prof. N. S. Krishnaswamy to build the chemistry laboratory with all equipments. The department has excellent infrastructure to conduct lab classes and research work besides the objective of preparing students for challenging careers. The faculties have publications in national and international journals of high impact factor and presented papers on the National and International conferences. The expertise of the faculty members spans in the fields such as Material Science, Crystal growth, Photocatalysis, Co-ordination Chemistry, Macromolecules, Organic synthesis, Electro Chemistry, Nano Materials and Computational Methods.

About the Conference

About the Conference

National level Conference on Emerging Trends in Chemical Sciences for Sustainable Future (NCECSSF'2024) is a multidisciplinary event aiming at academicians, industrialists, research scholars, students from around the nation to discuss most recent innovations and trends as well as practical challenges encountered and solutions adopted in the fields of various disciplines in chemistry. Hence, the conference will motivate the young minds for higher learning and thrust for innovative chemical research. The conference will comprise invited lectures from eminent speakers of leading institutes, universities and original research papers are expected from the following areas:

Thrust Areas:

- Analytical Chemistry
- Material science
- Catalysis
- Computational Methods
- Organometallic Chemistry
- Crystal Growth
- Inorganic chemistry
- Co-ordination Chemistry
- Organic Synthesis
- Electro Chemistry
- Nano Material
- Quantum Dots
- Renewable Energy Sources
- Spectroscopy

Important Dates

Abstract Submission: 25.08.2024
Acceptance Intimation: 30.08.2024
Last Date of Registration: 15.09.2024

Patron

Rev. Dr. Praveen Peter, SDB
Secretary

Co-Patrons

Rev. Dr. Maria Antony Raj, SDB
Principal
Rev. Dr. Maria Arokia Raj, SDB
Additional Principal

Convener

Rev. Dr. Alphonse Lazar, SDB, AP/Chemistry

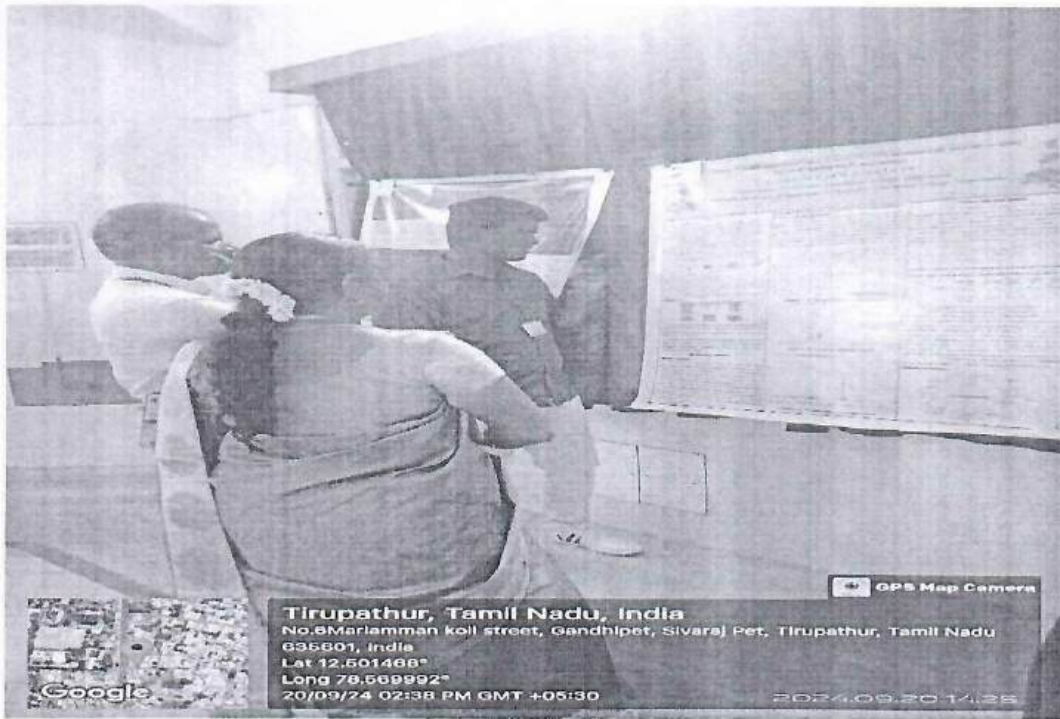

Coordinators

Dr. T. Jeyabalan, Associate Professor & Head
Dr. V. Collins Arun Prakash, AP/Chemistry, PG Head
Dr. M. Wilson Bosco Paul, AP/Chemistry, UG Head

Organizing Committee

Dr. R. Jude Vimal Michael, AP/Chemistry
Dr. M. Nahren Manuel, AP/Chemistry
Dr. A. Arokia Nepolean Raj, AP/Chemistry

AIM AND OBJECTIVES FOR INTER-COLLEGIATE SYMPOSIUM

AIM:

The aim of the intercollegiate symposium is to foster intellectual exchange, encourage innovation, and provide a platform for students to present their ideas, research, and technical expertise in a collaborative and competitive environment.

OBJECTIVES:

1. Knowledge Sharing: Facilitate the exchange of knowledge and ideas among students from various institutions.
2. Skill Development: Enhance technical, research, and presentation skills through workshops, paper presentations, and competitions.
3. Networking: Provide a platform for students, faculty, and industry experts to interact and build professional connections.
4. Innovation and Creativity: Encourage students to showcase innovative solutions to real-world challenges.
5. Teamwork and Collaboration: Promote teamwork through group discussions, hackathons, and collaborative events.
6. Industry Exposure: Offer insights into industry trends and advancements through guest lectures and panel discussions.
7. Competitive Spirit: Foster a healthy competitive environment through debates, technical quizzes, and project demonstrations.

Annual Report on Inter - College Participation

Academic Year	: 2024-2025
Date of Event	: 28.01.2025
Location	: Sacred Heart College, Tirupattur
Organized by	: Department of Computer Applications
Theme/Topic	: SAIT'25

A group of students from our college recently participated in an inter-college symposium organized by Sacred Heart College, Tirupattur at 28.01.2025. The event brought together talented students from various institutions to showcase their knowledge, skills, and creativity through a range of competitions and technical sessions.

Our students actively took part in multiple events such as paper presentation, quiz, coding, and demonstrated outstanding performance. We are proud to announce that several of them won prizes in their respective categories, bringing recognition to our institution.

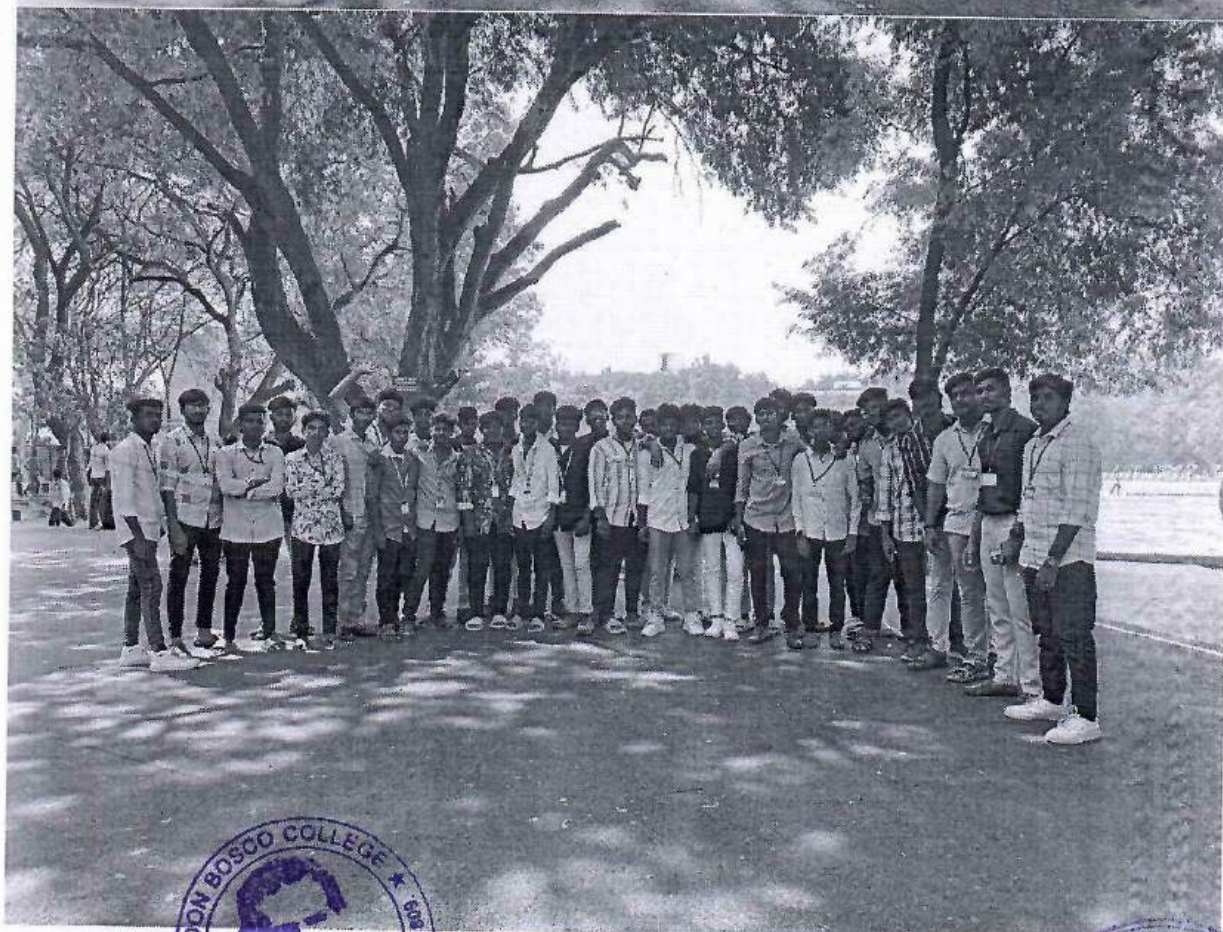

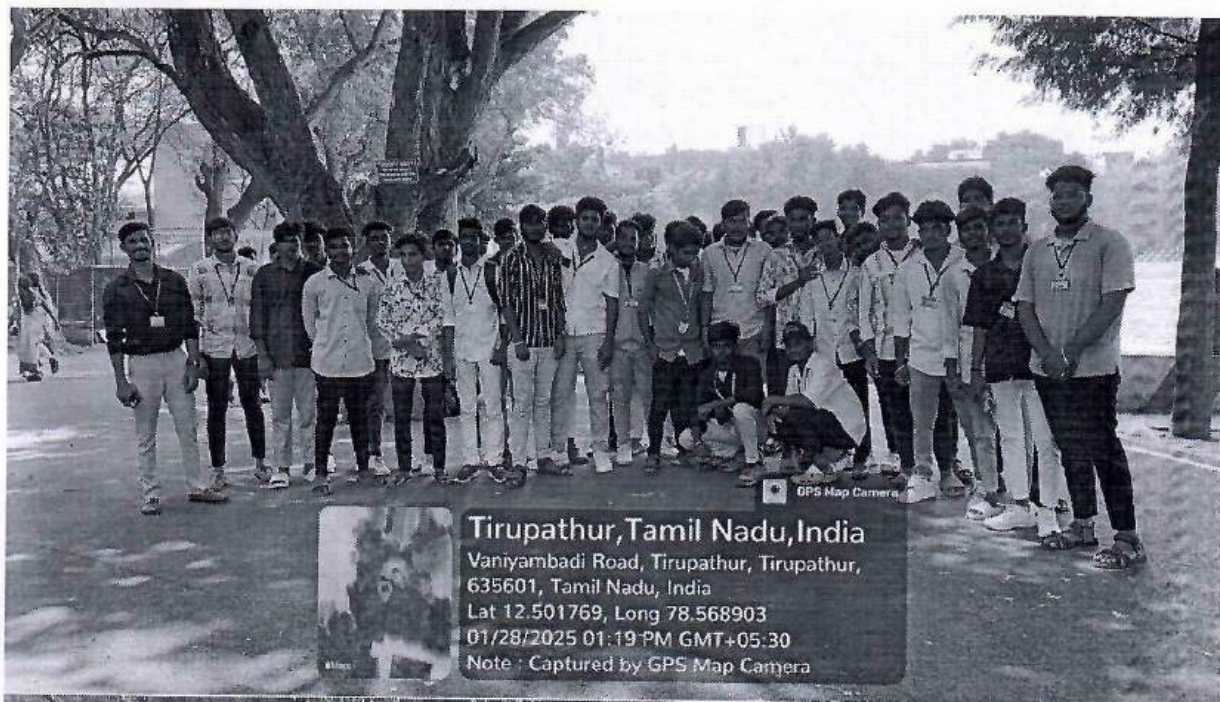

Prize Winners:

- **S. Dineshganapathi** – 1st Prize in Paper Presentation
- **M. Abdul Muneer** – 2nd Prize in Impasta
- **Team of Students** – Overall 2nd Prize

This achievement reflects the hard work, dedication, and talent of our students, as well as the guidance provided by our faculty members. We congratulate all the participants and winners and encourage more students to take part in such events in the future.

OUTCOMES FOR INTER-COLLEGIATE SYMPOSIUM

The participation in the inter-college symposium proved to be highly beneficial for our students. It provided them with an excellent platform to:

- Showcase their academic and technical talents
- Gain exposure to new ideas and innovations from peers across institutions
- Build confidence through public speaking and competitive events
- Network with students and faculty from other colleges
- Develop teamwork, leadership, and time management skills

Winning prizes further boosted their morale and brought recognition to our college. Overall, the experience was enriching and motivational, encouraging our students to engage in more such academic and co-curricular activities in the future.
