## REPORT ON MIND BLASTER – 2025

ORGANISED BY

PG DEPARTMENT OF COMPUTER SCIENCE & BCA

## **OBJECTIVES OF OFF STAGE EVENTS:**

The Mind Blaster off-stage event is an intellectually stimulating competition designed to test participants' problem-solving abilities, creativity, and critical thinking. It typically involves challenging tasks that require quick thinking, logical reasoning, and out-of-the-box solutions. The event aims to push participants beyond conventional approaches and encourages them to think innovatively under time constraints.

## **OFF STAGE REPORT:**

The off stage event "Bugbuster" prelims was conducted at January 21<sup>th</sup> 2025 at UG Lab. There were 47 students participated in the prelims and 10 students were selected to the final round. The final round of the event was conducted at January 23<sup>rd</sup> 2025 at UG Lab. In the final round the first three places chosen from the 10 students based on their marks. Finally the winners honoured at January 24<sup>th</sup> 2025.

## OUTCOME OF MIND BLASTER 2025:

The "Mind Blaster 2025" Department - Level Technical Event was a well-coordinated and dynamic event that aimed to foster knowledge exchange, showcase departmental achievements, and provide an engaging platform for both participants and attendees. The event consisted of both **on-stage** activities and **off-stage** activities working together to create a seamless experience. The audience remained actively engaged throughout the event, with participation in Q&A sessions and discussions. Various competitions and skill-based challenges were successfully conducted, with participants showcasing their creativity, problem-solving, and knowledge.

Winners were recognized for their outstanding contributions. The on-stage sessions fostered opportunities for networking among industry professionals, faculty, and students, leading to new collaborations and mentorship opportunities. The event received positive feedback from participants and attendees, with many expressing appreciation for the content, speakers, and overall organization:

Strong communication between the organizing team, volunteers, and technical staff ensured that each aspect of the event was handled efficiently. Any unforeseen issues were addressed promptly, maintaining a smooth experience. Participants were well-supported throughout the event, with staff readily available to assist with questions, technical issues, and logistical needs. Attendees were given ample opportunities for networking and engagement.
