## AIMS AND OBJECTIVES

### Aim & Objectives:-

To motivate the students. To participate actively in other colleges. To help the students to exhibit their literary talents.

### Outcome:-

Quiz competitions can help students develop a variety of skills, including:

- Critical thinking: Students can improve their analytical, creative, and problem-solving skills.
- Communication: Students can develop their communication skills.
- Confidence: Students can build their confidence.
- Memory: Students can improve their memory.
- Vocabulary: Students can expand their vocabulary.
- Social skills: Students can interact with friends and family.
- Self-awareness: Students can become more self-aware of their progress and identify areas for improvement.
- Growth mindset: Students can develop a growth mindset and a desire to learn throughout their lives.
- Teamwork: Students can learn to work in teams.

Quiz competitions can also help students connect the dots, read between the lines, and arrive at conclusions. They can also help students prepare for the job market by providing early exposure to industry knowledge.

Quiz Programme (01/04/2025)

### Aim

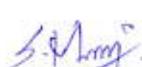

A quiz Programme is a form of entertainment that typically involves a host asking questions to participants, who attempt to provide the correct answers. These shows are designed to challenge the knowledge and skills of the contestants while also engaging the audience through interactive gameplay. The main aim of a quiz Programme is to entertain and educate viewers, offering a mix of fun and learning opportunities.

By presenting a variety of questions covering different topics, quiz programmers aim to engage viewers of all ages and backgrounds, fostering a sense of competition and excitement. The diverse range of questions and formats used in quiz programmers ensures that there is something for everyone — from general knowledge quizzes to specialized subjects.

Ultimately, the primary goal of a quiz Programme is to entertain, inform, and engage the audience, making it a popular choice for television networks worldwide

### Quiz Programme (01/04/2025)

#### Report

A report has been prepared on the quiz Programme organized for the third-year Chemistry students. The event was overseen by the class in-charges, Prof. C. Jayakumar and Prof. M. Sangeetha, with the continued moral support of our Programme.

The quiz aimed to engage students in a fun and educational experience, providing a platform for them to showcase their knowledge and skills in the field of Chemistry. Student participation was highly encouraging, reflecting their enthusiasm and commitment to academic excellence.

Prof. Jayakumar and Prof. Sangeetha played pivotal roles in coordinating and managing the event, ensuring its smooth and successful execution. Our ongoing moral support throughout the Programme highlighted the importance of fostering a positive and conducive learning environment for all participants.

Overall, the quiz Programme served as a valuable opportunity for students to deepen their understanding of Chemistry concepts while also promoting teamwork and healthy competition among peers.
