SCHOOL VISIT

The students of II M.A. English and III B.A. English went on a School Visit on 08-08-2024 from 12.30 p.m. to 02.30 p.m. The In-charge of the day was J.Kalai, M.A., M.Phil., Assistant Professor, Department of English, Don Bosco College, graced the occasion. Students took classes for grade 8 and 9.

This report aims to provide an overview of our teaching experience at Govt.Hr.Sec.School located in Adgapadi, Indur on 08-08-2024. As students of Don Bosco College, Department of English, they went on a school visit to enhance our teaching abilities. They were four students including UG and PG. The purpose of the visit is to interact with students. They were divided into two groups for handling the 8th and 9th grade. They taught Grammar (Parts of Speech and Tenses) for grade 9 and Poem (Making Life Worth While) for grade 8.

The students paid attention throughout the session and interacted with them. They had the opportunity to engage a group of students. The school management gave them comfortable environment to interact with students. Our school visit was a valuable and enriching experience. They are all impressed by the school commitment to academic excellence, personal growth and community service. The dedicated teachers and interactive students made the school a vibrant and learning environment.

DEPARTMENT OF COMPUTER APPLICATIONS

Aim:

The main aim of the school visit to Sacred Heart Higher Secondary School, Dharmapuri, was to provide 11th and 12th-grade students with practical exposure to emerging technologies through an interactive IoT project exhibition conducted by BCA students, fostering interest and awareness in computer applications and technology-driven learning.

Objectives:

- To demonstrate the practical applications of IoT concepts learned during the semester.
- To motivate school students to explore the field of computer science and modern technologies.
- To develop presentation and technical communication skills among BCA students.
- To strengthen collaboration between the college and local schools for academic enrichment.
- To inspire innovation and creativity through hands-on project demonstrations.

DEPARTMENT OF COMPUTER APPLICATIONS

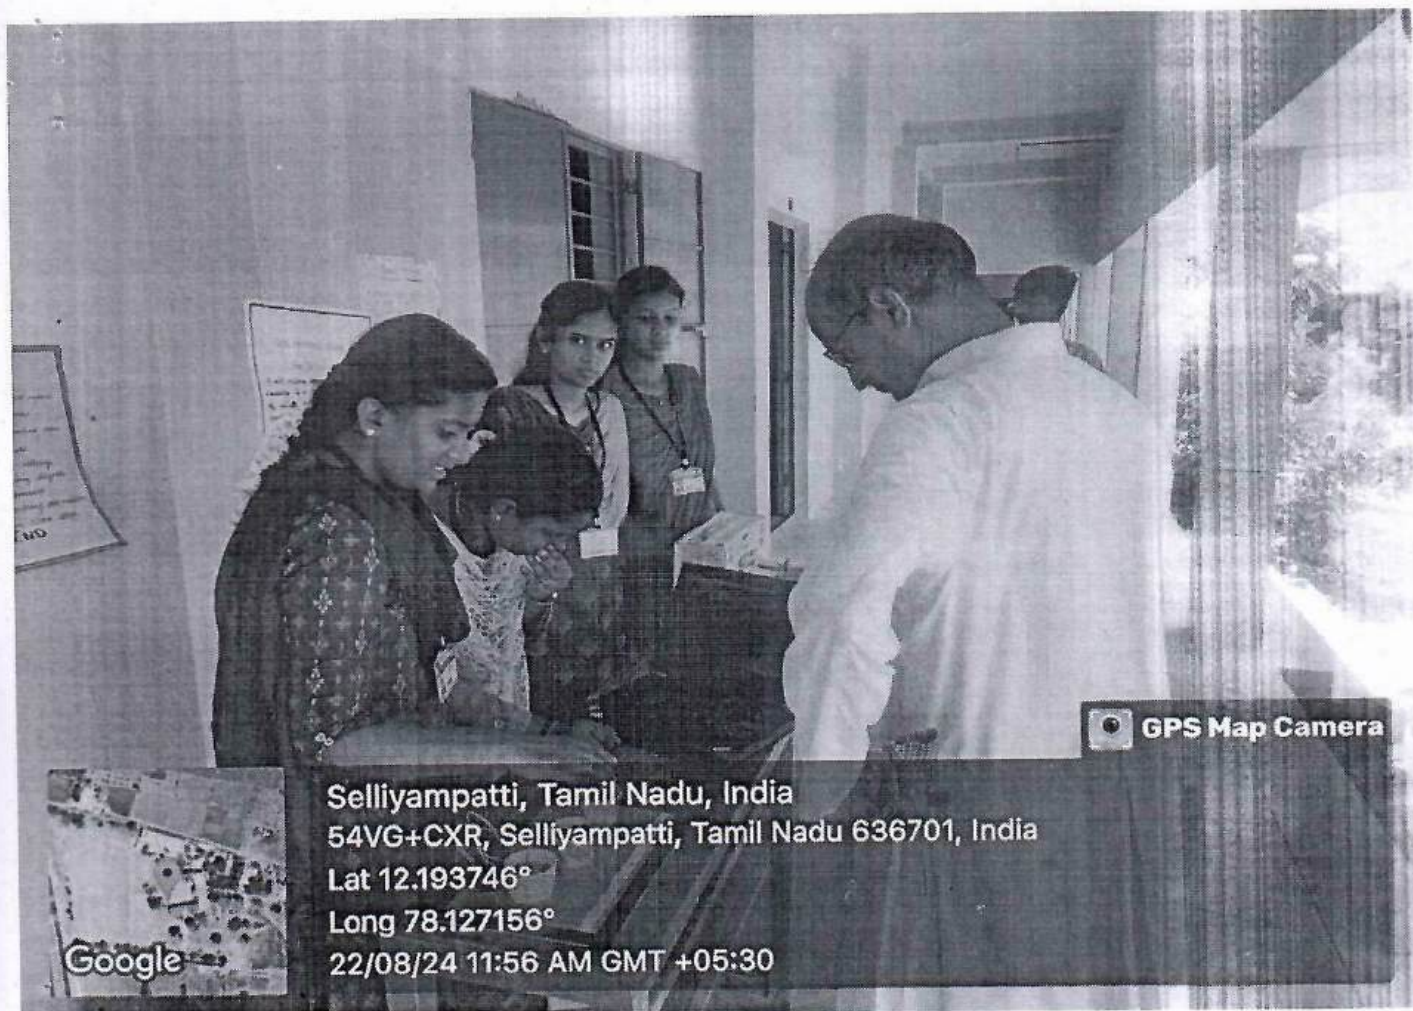

SCHOOL VISIT

On August 22nd 2024, a school visit was organized for 11th and 12th-grade students at Secred Heart Higher Secondary School, Dharmapuri. This event was coordinated by III BCA and II BCA students through our college, under the guidance of Prof. Sagayam R, Prof. Ramya K, Prof. Manjula R, Prof. Krishnan S. A total of 118 students participated in the visit, which featured **Fr. BENJAMIN Head Master**, the chief guest from Secred Heart Higher Secondary School, Selliyampatti.

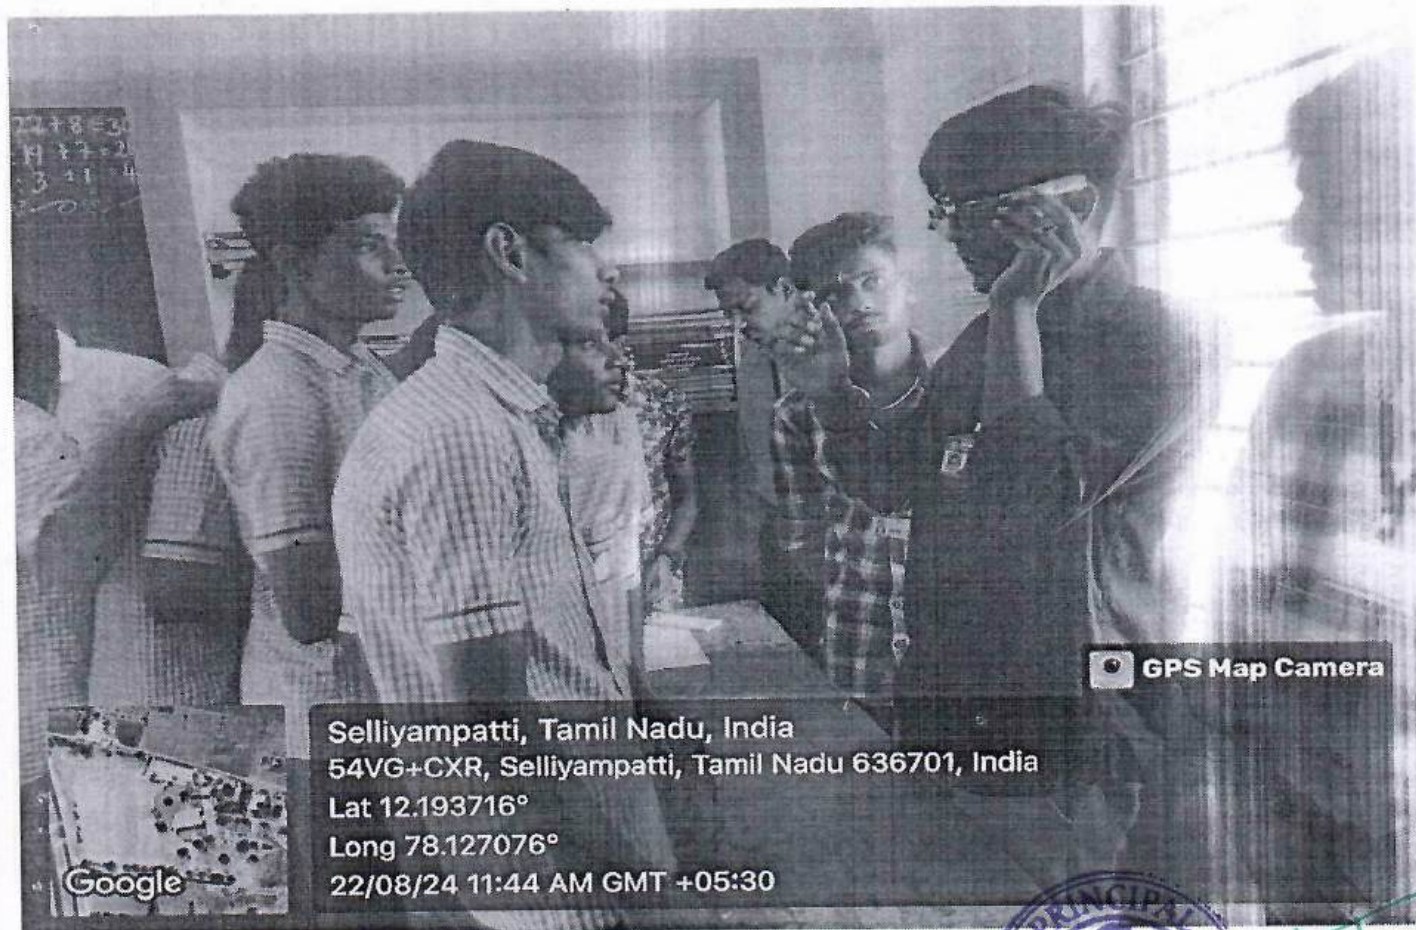

During the visit, students had the opportunity to learn about the following:

Approximately twenty projects were showcased by students. The exhibition was a result of motivation received during their IOT practical sessions, which are part of the current semester's curriculum. Both the faculty and students involved in the subject were highly enthusiastic, presenting working models that demonstrated the application of IOT in daily life.

OUTCOMES

Successful Implementation of IOT Projects:

- The event resulted in the successful development and demonstration of several IOT projects, showcasing practical applications of technology in education. Projects included smart classroom solutions, attendance monitoring systems, and environmental monitoring devices.

Increased Engagement Among Students:

- Participants reported heightened interest and engagement in technology and IOT, with many students from Sacred Heart expressing enthusiasm about pursuing similar projects in the future.

Strengthened Relationships Between Institutions:

- The event fostered a spirit of collaboration and camaraderie between Don Bosco College and Sacred Heart School, paving the way for future joint ventures and educational activities.

Skill Development:

- Don Bosco students gained valuable hands-on experience, enhancing their technical and project management skills. Feedback indicated an increased confidence in their abilities to develop and implement technology projects.

Feedback and Future Recommendations:

- Participants provided constructive feedback on the projects, suggesting areas for improvement and expansion. This input will guide future initiatives and project iterations, ensuring continuous improvement in project quality and relevance.

Awareness of IOT Applications:

- The event raised awareness among students and faculty about the potential of IOT technologies in enhancing educational practices, encouraging further exploration of digital solutions in the classroom.

Documentation and Sharing of Best Practices:

- The projects and outcomes were documented thoroughly, creating a repository of best practices that can be shared with other institutions interested in implementing IOT in education.

In conclusion, the IOT project visit to Sacred Heart Higher Secondary School not only achieved its objectives but also laid a strong foundation for future collaborations and innovations in the field of technology education. The experiences gained will contribute significantly to the personal and professional growth of the participants involved.

Department of Commerce

School Visit Report

The department of commerce has organized school visit to Government Hr. Sec. School, Adhiyamankottai. On 22nd August, 2024 Students of Commerce along with four faculty members.

We began the session by discussing various career paths available to students, emphasizing the importance of aligning career choices with individual interests and skills. We highlighted key industries and emerging fields and provided information on how to pursue these careers through higher education.

We introduced our college, including its history, mission and values. We explained our academic programs, the advantages of studying at our institution and our commitment to student success and development.

PG DEPARTMENT OF CHEMISTRY

SCHOOL VISIT REPORT

The students of PG Department of chemistry went on a School Visit on 06-08-2024 from 3.00 p.m. to 04.30 p.m. The In-charge of M.SANGEETHA, M.Sc., M.Phil., B.Ed., Assistant Professor, PG Department of chemistry, Don Bosco College, graced the occasion. Students took classes for grade 11th and 12th.

This report aims to provide an overview of our teaching experience in Government Model School located in Booganahalli, Palacode on 06-08-2024. As the students of Don Bosco College, PG Department of Chemistry, they went on a school visit to enhance our teaching abilities. They went three PG students. The purpose of the visit is to interact with the 11th and 12th chemistry students. They taught about artificial lava preparation and electrodes some basic chemistry to explain them.

The students paid attention throughout the session and interacted with them. They had the opportunity to engage a group of students. The school management gave them comfortable environment to interact with the students. Our school visit was a valuable and enriching experience. They are all impressed by the school commitment to academic excellence, personal growth and community service. The dedicated teachers and interactive students made the school a vibrant and learning environment.

PG & RESEARCH DEPARTMENT OF MATHEMATICS

ACADAMIC YEAR (2024-2025)

REPORT-SCHOOL VISIT

DON BOSCO COLLEGE DHARMAPURI
DEPARTMENT OF MATHEMATICS
DATE: 14-08-2024

SCHOOL NAME: DON BOSCO SCHOOL, GUNDALPATTI, DHARMAPURI.

1. Introduction

On 14-08-2024, a team of four students from Department of Mathematics, Don Bosco College visited Don Bosco School as part of educational outreach program. The objective of the visit was to engage with the school students by introducing them to interesting mathematical tricks, raising awareness about mathematical concepts, and sharing information about our college and its facilities.

2. Activities Conducted

- **Mathematical Tricks Presentation:** The visit began with an engaging presentation on various mathematical tricks and shortcuts. The presentation was designed to make learning math fun and interactive. Students were shown quick ways to perform calculations, solve puzzles, and understand complex concepts in a simple manner.
- **Interactive Games:** After the presentation, we organized several interactive math-related games. These games were designed to reinforce the concepts discussed in the presentation and to foster a love for mathematics among the school students. The games included activities like math puzzles, brain teasers, and group challenges, which were well-received by the students.
- **Prize Distribution:** To encourage participation and enthusiasm, we distributed prizes to the winners of the games. The prizes included educational materials such as books, calculators, and stationery. This not only motivated the students to participate actively but also added an element of fun to the learning process.
- **Introduction to Don Bosco College:** Towards the end of the visit, we provided an overview of our college, highlighting its history, academic programs, facilities, and extracurricular activities. We shared information about the opportunities available at Don Bosco College for higher education and encouraged the students to consider our institution for their future studies.

3. Student Interaction

The school students were highly engaged throughout the visit. They actively participated in the activities and showed great interest in the mathematical tricks and games. The interaction was positive, and the students expressed their enthusiasm for learning new concepts in a fun and interactive way.

4. Feedback and Conclusion

The teachers and students of Don Bosco School provided positive feedback on the visit. They appreciated the effort put into making mathematics enjoyable and the opportunity to learn about our college. The visit was successful in achieving its objectives, and it has laid the groundwork for potential future collaborations between our college and Don Bosco School, Dharmapuri.

We would like to thank Don Bosco School for their hospitality and the opportunity to interact with their students. We look forward to more such engagements in the future.

PG DEPARTMENT OF COMPUTER SCIENCE

SCHOOL VISIT

On August 7th 2024, a school visit was organized for 11th and 12th-grade students at Adhiyaman Government Boys Higher Secondary School, Dharmapuri. This event was coordinated by III B.Sc. CS and II B.Sc. CS students through Divine Association, under the guidance of Prof. S. Vithya.

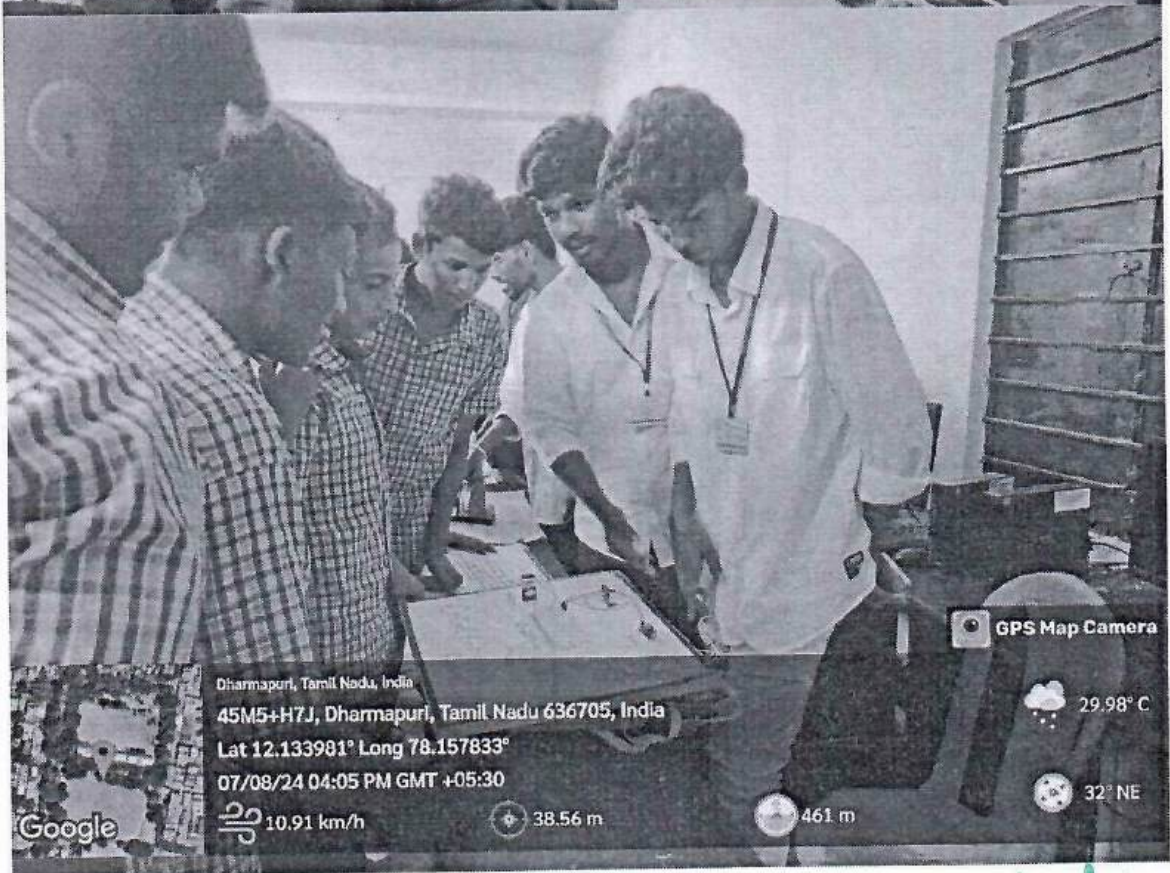

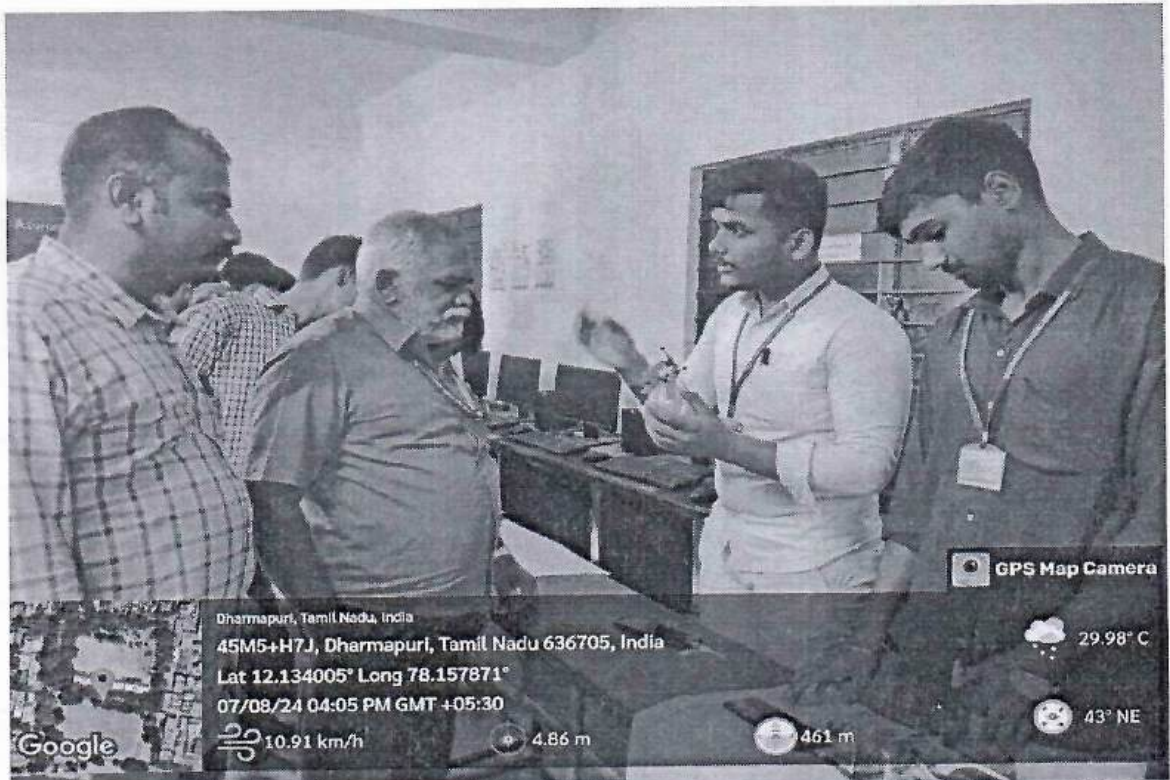

A total of 150 students participated in the visit, which featured Mr. E P Thangavel Head Master, the chief guest from Adhiyaman Government Boys Higher Secondary School.

During the visit, students had the opportunity to learn about the following:

Approximately twenty projects were showcased by students. The exhibition was a result of motivation received during their IOT practical sessions, which are part of the current semester's curriculum. Both the faculty and students involved in the subject were highly enthusiastic, presenting working models that demonstrated the application of IOT in daily life.
