## REPORT ON EVALUATION OF BIG DATA

The department of computer science organized a seminar on 4<sup>th</sup> December 2021. The theme of seminar was "Evaluation of Big Data". The programme started at 10.00am with an invocation to the almighty through the prayer song. It was followed by the traditional lighting of lamp by the dignitaries.

The seminar was inaugurated by our beloved principal Rev.Dr.A.Siluvaimuthu SDB, and chaired by Mr.S.Silambarasan HOD of Computer Science. Daniel from II M.Sc warmly welcomed dignitaries faculty members and all the students.

The chief guest was welcomed and felicitated by our principal Rev.Dr.A.Siluvaimuthu SDB, and he introduced the chief guest Mr.Sankar Mahadevan and he addressed the students to use this technology to develop modern innovation for the future and encourage the students to do their projects in own.

After the session was started by the resource person he explained what is data and data resources, difference of DBMS vs RDBMS issues In the existing system. Evaluation of Big data is explained with real-time example with live demonstration on database. Finally certificates were issued followed by formal vote of thanks.
