## Breast Cancer Awareness

(The only person who can save you is you)

**Resource Person: Dr. T. Paneer Selvam**

(MS., Mch., (Surgical Oncology-Adayar Cancer Institute))

**Date: 06<sup>th</sup> October, 2021**

**Venue: Bosco Hall**

**Time: 10.00 a.m. to 01.15 p.m.**

### **Learning:**

- Learned about what is Breast cancer and its causes, symptoms and prevention methods.
- This can be cured if found at the earliest.
- Learned about Time Management.

### **Conclusion:**

The awareness programme was organized with an intension to motivate the MSW trainees and other participants, to know more about Breast Cancer and the way it affect and is spread. It was quite an amusing and interesting program as it provided the trainees a platform to learn more about “Breast Cancer”, which help the trainees to gain more insights on the topic and being a social work trainee, awareness on topic like this is very important for self – awareness and also for educating others with proper knowledge.

## INTRODUCTION

The trainees of MSW both 1<sup>st</sup> and 2<sup>nd</sup> year students were the participants of this workshop. There was total 68 students participated for this workshop. This workshop was mainly organized for the purpose of the improvement and learnings for both the 1<sup>st</sup> and 2<sup>nd</sup> year trainees. The workshop was very much important to the 2<sup>nd</sup> years as they step into their carrier as the social workers.

This workshop titled "Research methods and data analysis using SPSS".

## PLANNED OBJECTIVES:

- To learn to use formulas in Excel.
- To use Excel professionally.
- To learn about SPSS software and to work on it.
- To learn about research methodology.

# RESEARCH METHODS AND DATA ANALYSIS USING SPSS

09.03.2022 – Wednesday

## Activities undertaken:

- Resource person taught the MS Excel in each and every detail possibly.
- Practicing manually by the trainees of what understood.
- Small session on SPSS application and its uses and functions.

## Assigned Task:

- Assigned to create table and calculate data in MS – Excel.
- Assigned to move data from MS – Excel to MS word and to PowerPoint.

## Observation:

- Resource person was able to fulfill the trainee's expectation about learning MS – Word, MS Excel, PowerPoint, etc.
- Observed that mostly all the trainees were listening and was learning quite focus fully.
- Observed that anyone can learn these three main applications of MS in just three days.

# RESEARCH METHODS AND DATA ANALYSIS USING SPSS

10.03.2022 – Thursday

## Activities Undertaken:

- Sessions on SPSS software application.
- Trainees were given on – spot tasks to practice and solve statics and pie – charts in SPSS.
- Session on what is research and how to analyze data in research papers.
- Helping the trainees.

## Assigned Task:

- Trainee was assigned to work in SPSS.
- Solving statics and pie – charts was assigned.
- Trainee was assigned with home – assignment.
- Trainee was assigned to help technically to all.

## Observation:

- Observed that all trainees were so interactive and helped each other's.
- Observed that learning SPSS as new is complex when haven't heard or known about the software before.
- Trainee observed the team work.
- Even it was hard to learn as new, the resource person Fr. Babu taught trainees in a way that every could understand.

## Conclusion:

The days spent was quite challenging and interesting in learning. The various activities, programs, workshops are full-fledged areas which enhanced skills, learnings, attitudes and knowledge regarding the social work. It's a vast field and the trainees got every opportunity possible to learn and enrich their lives. The trainee would like to thank Don Bosco college management, Department of social work for making all the activities and programs successful and for the help and guidance.
