HEALTH COMMITTEE REPORT

2017-2018

CARE

HEALTH CARE COMMITTEE REPORT

Health care of the students of Don Bosco College, Dharmapuri was taken care by Ms. S. Regina Mary for the academic year 2017-18. Various awareness programmes and medical camps were conducted during the semesters and on important events. During the celebrations like college day, cultural day, sports day etc., special care had been given to students.

Special care to girl students with issues like stomach pain, pregnancy, eye problem, head ache, physical hurts, tooth ache etc., were treated with first aid. If students suffer with serious problem they are taken to private or government hospitals and provided the treatment adequately.

General health awareness for married girls on regular basis is provided. Hygienic awareness is given for girls and boys on regular intervals. Health and hygienic consciousness is raised among the teaching staff.

Ms.S.REGINA MARY

DON BOSCO COLLEGE, DHARMAPURI.

MEDICAL COMMITTEE REPORT

ACADEMIC YEAR 2017-2018:

Medical camp was organized on 20 February and 1st of March 2017, for all the students by Mrs. Regina Mary. Dr. Surabi and Dr. Baskar from Govt. Hospital, Dharmapuri came and did the medical check-up for all the students. After these medical check-up physically weaker students were indentified and they were referred to other hospitals for further treatment. 650 Students were benefited. 15 students got heart disease they have found and gave the report. so the medical check very useful for the students. In this programme College staff members and NSS volunteers also helped the Health committee to conduct the program well.

An **“Eye Camp”** was organized in our college campus. A team from **“Agarwal Eye Care Hospital”** came to do the eye check-up for all the students on 11.06.2017. It was arranged in the open auditorium. Many students were referred to go to the hospital for their detailed check up. Many were prescribed to take vitamin tablets. 1000 students benefitted by this check up.

Dr. Mary presided over the function on 10. 08. 2017, to give a talk on **“Health and Hygiene Care”**. Nearly 720 girls attended the programme according to the shift wise.

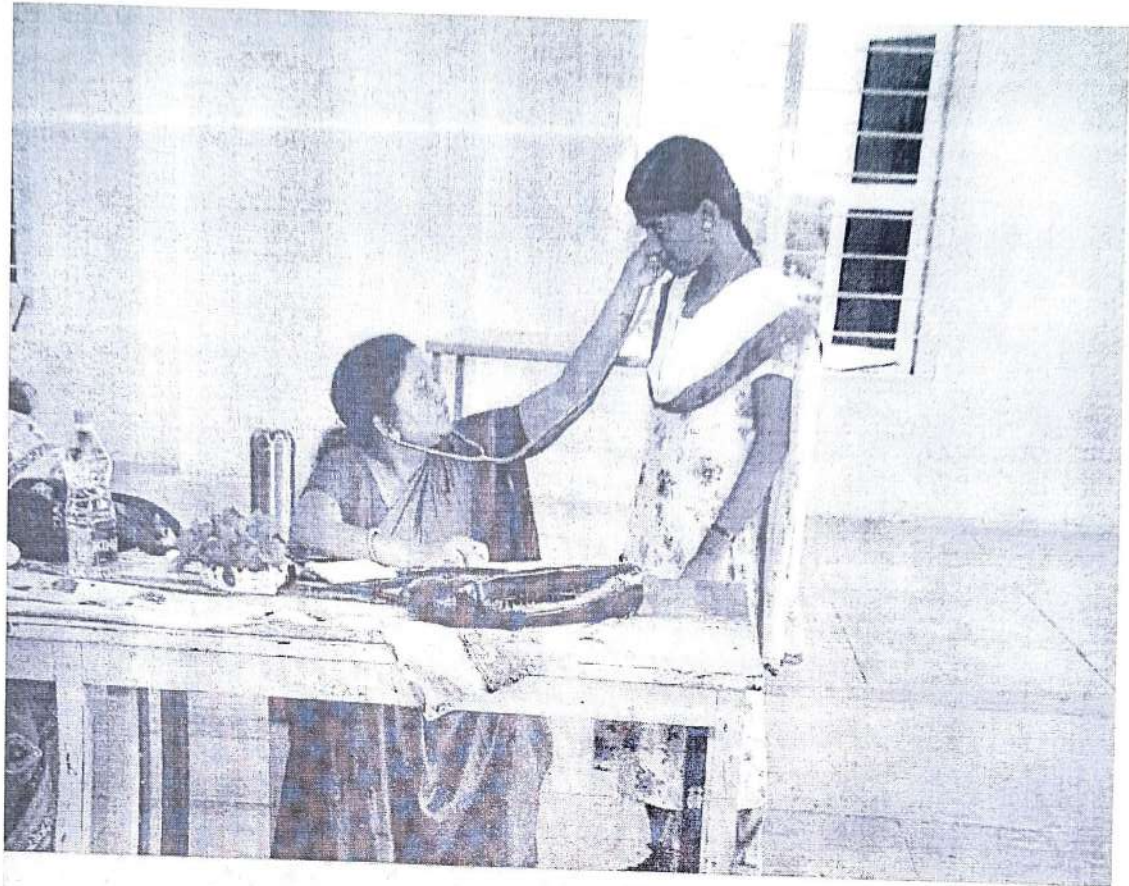

Sports day :

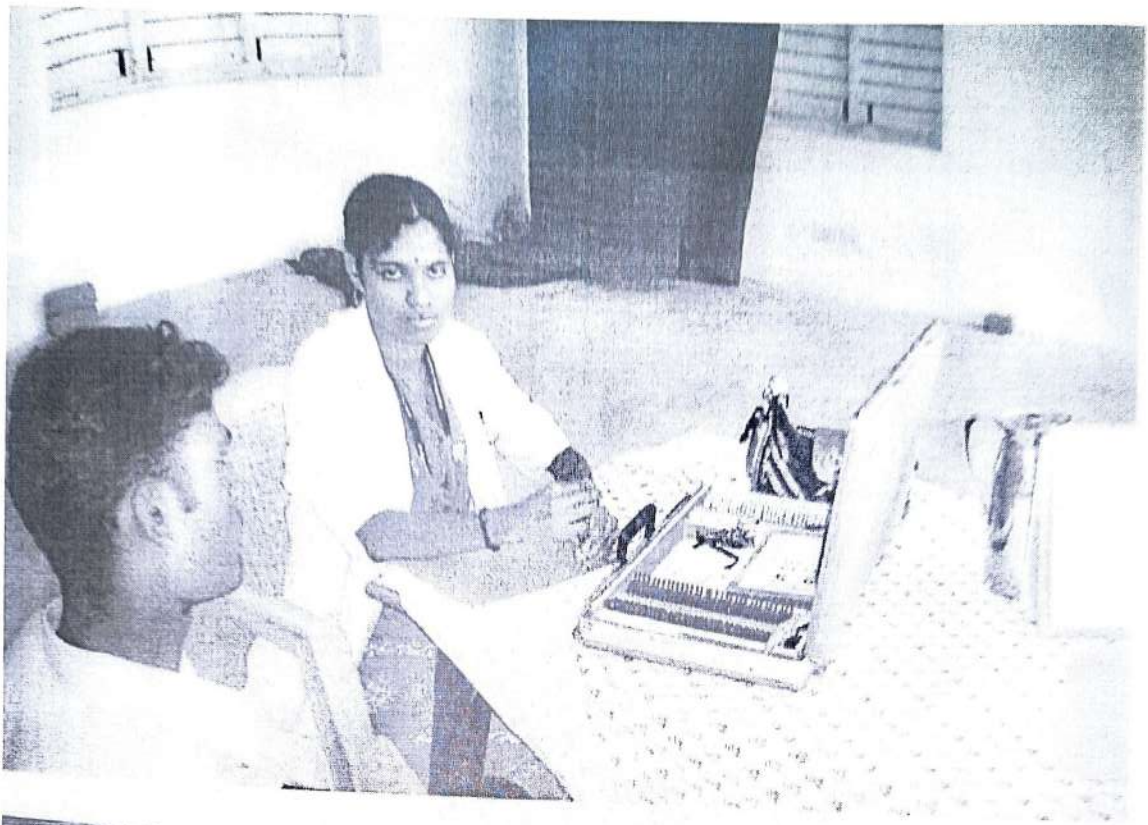

“Health and wellness for students is a top concern”. We the staff are available to help the students when they get injured. If its fracture, we make arrangement of vehicle and send them to the general hospital. Assist in making sports safe by preventing injuries for the students.

Cultural day:

Coordinators and staff assisted to her are ready to take care of the students health, if they are injured while participating in their events of the cultural day.

Students feedback

1. General checkup:

In our Don Bosco College, we had general medical check up camp on 20th year. From the camp, they recognized Suggested that I had Blood pressure. Besides, they me how to close the disease. I realized the importance of health from the camp. I wish, in the following years, many medical camps should be held and many students will benefitted through this Camp.

2. Eye-check up:

We had Eye-check up camp in our college On 11.06.2017. We had it for two days. From that camp, I came to know that I had some vision problems. I went to the hospital as they told me. As a result of this, now I can be live without any eye problems. They told and recommended me to take treatment. Thank for the camp making me feel better.
