12TH SPORTS DAY
21ST JULY 2018

When we face the different phases in our lives with determination, discipline and sincerity. We have set the spirit of Harmony and progress. Sports are one of the wonderful ways to instill these qualities among the young minds. The sports day was celebrated on 21st July 2018 for the higher graders and primary sections respectively. The Events started off with flying balloons of the school house colours symbolically representing the school Motto: Reach Out, Reach High and Reach Beyond. A spectacular Band Feat with different formations along with a soothing music played by the students – captivated the audience from all directions and established a strong tie among the Teacher – Student Trio. The Chief Guest Dr. K. Venkatzalam Principal's address expressed the endeavors to reach the vision of the school. The cultural programmes included drill and dance displays that were very warmly and enthusiastically received by the audience. The crowning glory of the whole event was the few track events that were very nostalgic. The closure ceremony included the retreat of school flag, Band beats and the announcement of the sports championship – were a great visual treat. The National Anthem sung at the end, left each one of us with the spirit of Nationality, integrity and harmony.
