DEPARTMENT OF BUSINESS ADMINISTRATION

REPORT ON INDUSTRIAL VISIT

CLASS: III BBA

DATE: 18.05.2022

The Department of Business Administration arranged an Industrial Visit jointly with The Entrepreneurship Development Cell (EDC) of DBC to District Industries Centre (DIC) and Institute of Entrepreneurship Development (IED-SIPCORT) on 18-05-2022. The Participants were III BBA students. Students were accompanied by Prof.Dr.K.Anand Head of the Department of Business Administration.

Details of the Industrial Visit:

- Student Awareness Program on the Title "Entrepreneurship Awareness Programme" at IED Conference Hall.
- This Program was addressed by Mr. Sakthivel, Administrator of IED.
- Different project officers in IED - Mr. Immanuel, scheme Head, Cluster development, Dr. Achudhan, Nodel Officer, AC & ABC scheme, Mr. Senthil, SBI Scheme officer – Dharmapuri addressed the students.
- Officers motivated the students to start up new business and explained various schemes and financial assistance provided for new entrepreneurs.
- Industrial visit was highly useful to students. They got awareness on various schemes available for the entrepreneurs.

DEPARTMENT OF BUSINESS ADMINISTRATION

EDUCATIONAL TOUR

Date: 08.04.2022

VENUE: Visvesvaraya Industrial and Technological Museum, Bangalore.

An educational tour to Visvesvaraya Museum, Bangalore on 08th April, 2022 was arranged by the Department of BUSINESS ADMINISTRATION for the *First Year UG students*. *Twenty-Five* students visited the museum.

Visvesvaraya Museum is not a 'museum' in its classical sense, because it has interactive exhibits unlike stationary models of a museum. It is more of a "Science Centre". Each floor of this museum is dedicated to a scientific discipline.

Engine hall

The "Engine Hall" exhibits engines of various automobiles, machines used in industry, a jet aircraft engine, and other mechanical devices. The predictability and precision of mechanics is demonstrated by the rolling balls that travel endlessly within metal tracks. It is delighting to watch the balls moving over roller coaster, looping a loop and bouncing high to be caught by a basket. Principle of conservation of energy can be explained convincingly through this exhibit. The renovated section on 'Simple Machines' has interactive exhibits on levers, pulleys, wheel & axle, incline plane and screws. It has interactive exhibits on mechanisms, gears, cams etc. A new section, 'How Things Work?' has blown out working models of ball pen, zipper, lock etc. Even a layman can learn how these gadgets work by operating these exhibits.

Electro Technic gallery

Jacob's Ladder and Tesla Coil

The 'Electro Technic Gallery' contains interactive electrical exhibits which work on the basic principles of electricity, electronics and communication. A renovated version of Electro Technic gallery is opened to public on 8 April 2010.[citation needed] This gallery exhibits the classical experiments like Oersted's experiment, Barlow's wheel, Faraday's ring, etc. A demonstration on electrostatics, which include Tesla coil, Van de Graaff generator etc. is on display. This is a must visit for all the students of electricity at basic and advanced level and all those who are attracted by the marvels of electricity.

Fun Science gallery

On the first floor of the Museum we have the 'Fun Science gallery' that displays exhibits on sciences of sound, optics, fluids, math and perception. This is a real fun-filled exhibition and people through each and every exhibit in large numbers to operate them.

Space gallery

Exhibit in the museum

The 'Space Gallery' is about rocket science and the history of space exploration.

Biotechnology hall also on the second floor of Visvesvaraya Museum has exhibits on basics of Biotechnology and its applications. The 'Dinosaur alive' has a moving replica of a Spinosaurus. The 'BEL Hall of Electronics' has interesting exhibits on Electronics.

Science for children gallery

Another gallery named "Science for Children" houses exhibits that engages children in activities that help them to enjoy science. There is a giant piano over which they can dance to play music. A pin-wall helps the children to make the impression of their body parts on it.

Other attractions

3D Theater

There is a virtual game area, where children can play music using virtual instruments. An attractive mural made of colored beads welcome the visitors to this gallery, which is filled with fun and enjoyment. The museum also conducts a mini-planetarium show called 'Taramandal' at regular intervals. This is the only museum in the world other than the Smithsonian Institutions in the US, to have a full-scale replica^[2] of the 1903 flyer of Wright brothers.

Another new show at the museum is 'Science on a sphere', where an animated globe uses multimedia to project images of a changing atmosphere, ocean dynamics and landscapes to create a powerful and fun education tool, even as it adds a new layer to the museum's outreach programme.

BRIEF REPORT :

We started bus from Dharmapuri at 10.00 pm in Dharmapuri on 29.04.2022. The first day 30.04.2022 at 6.30 a.m. we refreshed at Mettupalayam. Coimbatore and followed by finished our Breakfast at hotel. We reached Udagamandalam at 10.30 am. First we entered the Tea Factory and saw different production process displays which are mainly machinery items. Dodabetta Tea Factory, at Coonoor. TamilNadu was founded in the year 2005, and is well managed by Mr. N. K. Krishnamoorthy, former Member of Tea Board. Factory sprawls over an area of 1 acre in Ooty. the midst of the many blue hills of the Nilgiris. It is the second largest hill station. bounded by tea plantations, at an altitude of 1839 metres. Our production capacity is 30 tons per month. Having about 35 years of experience in Tea field operations has passion to set a Tea Museum adjacent to the Dodabetta Tea Factory. As per his desire, he established the Tea Museum on 1 acre at Ooty. The Tea Museum has been our dreams come true.

We had for long contemplated on the need to enlighten all of us, as residents of one of India's largest tea growing districts, and also our visitors, on the rather exciting story of the evolution of Tea. Finally we had decided to go ahead with this rather daunting task, we felt the ideal place to record and present all these wonderful pieces of history, should be the Nilgiris itself. So we got down to the task. but soon realized that just like almost all other aspects of history, the evolution of tea too, was shrouded with numerous versions. Then we visited various places in Ooty.

A 10.30 p.m. we returned to Anaimalai Hills, and finished our dinner and stayed in Rukmani hall. The second day 01.05.2022 at 6.30 a.m. we visited Masaniamman Temple located from the walkable distance from Anaimalai.

We started our journey at 9.00 a.m. to visit Aliyar Dam, Coimbatore District. We reached to Aliyar Dam at 11.30 a.m. and refreshed there. Then, the same day we visited Thirumoorthy dam and Palani hills. Finally we returned towards to our native place at 9.30 p.m. Around 10.30 p.m. we were getting to the bus and we reached on 02.05.2022 at 5.00 a.m. in Dharmapuri, and students were sent carefully and we left to our home.

PRO FORMA FOR PROGRAMMES

ACADEMIC YEAR – 2021 - 2022

DEPARTMENT NAME	Commerce
DATE	21.04.2022
VENUE / PLATFORM	Industrial Visit to Ooty.
EVENT (WORKSHOP/ SEMINAR/CONFERENCE/SYMPOSIUM)	Industrial Visit
TOPIC	Industrial Visit
RESOURCE PERSON	Prof.I.James, Prof.G.Gopu, Prof.P.Nagamani and Prof.M.Suresh
NO OF PARTICIPANTS / BENEFICIARIES	50

BRIEF REPORT : The department of commerce Don Bosco College organized a one day's Industrial visit to OOTY, on 25th July 2019 for III B.Com, III B.Com CA & II M.Com commerce students. The visit was organized with the prior permission and guidance of Hon. Principal Dr. A. Siluvai Muthu, SDB and HOD of Along with the staff members, students of III B.Com , III B.Com CA & II M.Com. Specially Prof.I.James, Prof.G.Gopu, Prof.P.Nagamani and Prof.M.Suresh have taken hard efforts and initiative under the continuous guidance which made this visit a grand success. Total 50 students of class III B.Com, III B.Com CA & II M.Com along with 4 faculty members have joined this industrial visit.

The details of Journey are as follows:-

1. We started traveling from Dharmapuri to Ooty at 10.00. PM on 21.04.2022.
2. We reached to Ooty at early morning 07.15 A.M.
3. We visited Ooty Tea factory, chocolate factory 11.30 A.M.
4. After taking the lords blessings, we started travelling at 8.00 PM from Ooty to Dharmapuri on same day.
5. We reached at 5.30 A.M. at Dharmapuri on 23.04.2022

BRIEF REPORT :

We the students of 3rd and 1st BA English went to the industrial visit to Kerala accompanied by HOD and Class mentors. On the first day morning on 30th April, we reached Don Bosco Senior Secondary School, Vaduthala. We refreshed there and started our journey. First we spent half of the day in school for knowing about teaching and learning. After lunch, we went to Bagavathi Amman Temple . We went to Kochi Harbour. We left there at 6.00 p.m. We returned back to school for staying at 10.00 p.m. The next day morning we went to Cherai Beach at 8.00 am. We spent whole day there and we had our dinner. We started our return journey at 10.00 p.m. We reached Dharmapuri at 6 AM in the morning. Altogether we had a happy and unforgettable memories.

DEPARTMENT OF PHYSICS

REPORT ON INDUSTRIAL VISIT

The department of physics of our college planed for the industrial visit and educational tour for final year students of both PG and UG students, and we are decided to industrial visit and educational tour on 29.04.2022 and 30.04.2022. On that day 54 students and 5 staff members are joined in that occasion. On the first day we saw the Doddabetta, is the highest mountain in the Nilgiri Hills, at 2637 metres (8650 feet). There is an observatory at the top of Doddabetta with two telescopes available for the public to enjoy the magnificent panoramic view of the whole district and we also saw the place of tea and chocolate factory in ooty. The beautiful valley, plains of Coimbatore and the flat highlands of Mysore are visible from this point. On the seconday we saw the places of marudhamalai, isha yoga centre in covai, siruvani falls and palani temple. This trip gives us a nice experience and jolyfulness. Students are enjoyed during that trip.
