PRAYER BEFORE CLASS

O God / the source of all truth and wisdom/
Bless our work and study / which we offer You/
Enlighten our minds / Strengthen our memories/
And direct our will/ towards what is right/
Enable us always to seek the truth, and make us truly wise.

Out Father/ who art in heaven/
Hallowed be Thy Name/
Thy kingdom come/ Thy will be done
on earth as it is in heaven/

Give us this day our daily bread/
and forgive us our trespasses/ as we forgive
Those who trespass against us /
and lead us not into temptation/
but deliver us from evil. - Amen.

COLLEGE ANTHEM

Here come the scholars of DON BOSCO College
To sing with sweet accord this glad refrain
Standing together hand in hand
With pride and faithful to the motto
A healthy mind in a healthy body

Shining as a bright burning candle
We are sailing for the sun
And the race is just begun
We are reaching for the star
And empowerment is never far.

PRAYER FOR OUR COUNTRY

Into that Heaven of freedom, my Father let my ountry awake
Where the mind is without fear and head is held high Where
knowledge is free, Where the world has not been broken into
fragments By narrow domestics walls, Where words come out
from the depth of truth Where tireless striving stretches its arms
towards perfection Where the clear stream of reason has not lost
its way Into the dreary desert sands of dead habit.

- Rabindranath Tagore

BIND US TOGETHER

Bind us together Lord, Bind us together with cords
That cannot be broken.

Bind us together, Lord, bind us together,

Bind us together in Love.

There is only one God; there is only one King,

There is only one Body; that is why I sing.

THERE SHALL BE SHOWERS OF BLESSINGS

There shall be showers of blessings; this is the promise of love
There shall be seasons refreshing, sent from the Savior above

Showers of blessings, showers of blessings we need

Mercy drops round us are falling, but for the showers we plead.

There shall be showers of blessings, precious reviving again,

Over the hills and the valleys, sound of abundance of rain.

There shall be showers of blessings, send them upon us, oh Lord
Grant to us now a refreshing, come, and now honour thy word.

EVERY MORNING WHEN THE DAY'S BEGUN

Every morning when the Day's begun

I thank the lord for all He has done

Every evening when I kneel to pray

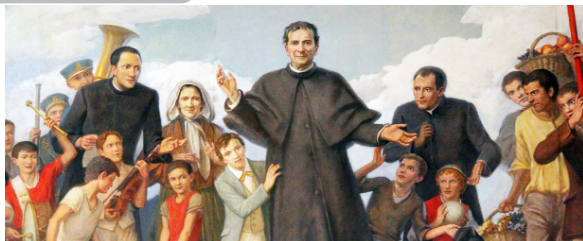

I thank the Lord for another day

Thank you for the sun, My Lord, Thank you for the moon

Thank you for the day and night, morning and afternoon

Thank you for the waters, Lord, the rains that soak the ground

Thank you for the rivers, Lord, fishes that swim around

DON BOSCO

Our Patron, Founder and Friend
(1815-1888)

St. John Bosco, known and called as Don Bosco (16th August 1815 – 31st January 1888) was an Italian Roman Catholic Priest, Educator and Writer of the 19th century, who put into practice the convictions of his religion, dedicating his life to the betterment and education of disadvantaged youth. He believed education to be a "matter of the heart" based on reason, religion and loving kindness. His followers popularly known as Salesians continue his pedagogy of education throughout the world. The word 'Salesians' is from the name of the Patron, St Francis de Sales, a saint much admired by Don Bosco.

Don Bosco was from a poor farming family, where his experience of poverty equipped him with an understating of the poor and the hardships they had to suffer. He knew what it was like to be without a father. He realized how important it was to be skilled in a trade so as to be able to find work; how vulnerable a young worker was to exploitation and how much exposed one was to moral dangers and the vices of drink, sex, gambling and stealing. He was a person whose life was

full of faith in the goodness of young people.

The Salesians dedicate themselves to the care of the orphans and other boys who are homeless. When Don Bosco died in 1888, the congregation, which was only twenty years old, numbered over 1000 members and had spread to seven countries in Europe and South America. The greatest gift Don Bosco has left posterity is his unique way of educating – Preventive System – a method that was inspired by his magnificent obsession. "It is enough to know that you are young and abandoned for me to love you very much." The main motive of the Salesians of Don Bosco (SDB) is to be 'signs and bearers of God's love to the young.'

A BRIEF HISTORY OF THE COLLEGE

The Worldwide Society of the Salesians of Don Bosco came into existence in the nineteenth century to serve poor and needy youth all over the globe. The year 2015 marks the second centenary of the birth of its saintly founder Don Bosco. The year 2006 which marked the first centenary of the presence of Don Bosco works in India also put Dharmapuri on the Salesian worldwide map with the inauguration of Don Bosco Vazhikaatti or Extension Services.

Permission for the College was obtained from the Government and the University by the initiative of Rev. Fr. Johnson Antonysamy, SDB, the Rector, and Rev. Fr. C. M. Varghese, SDB, the first Principal. Established in 2007, it is the first and only minority institution for boys and girls under Periyar University, Salem. The College is situated on Sogathur Adhiyaman Bypass Road, 5 kms from Dharmapuri town. Built in a serene and calm environment, the College provides a holistic ambient for the growth of the students. The Academic journey of the College commenced with

5 undergraduate courses, 9 teaching staff, 3 support staff and 250 students. The institution now boasts a handsome number of over 2100 students, 101 teaching staff and 37 non-teaching staff. The vast majority of our students hail from Dharmapuri and Krishnagiri districts, while students from other parts of Tamil Nadu, Karnataka, Andhra Pradesh, Andamans and North-East India also are accommodated. The College takes pride in educating numerous first generation graduates. The medium of instruction and evaluation is English. The College also provides separate hostel facility for women and excellent bus services to the remote villages.

From its humble beginnings, the College has grown considerably as the result of collective efforts of many, including Salesians, staff and well wishers. In the past few years significant additions have been made to the infrastructure with an open auditorium, state of the art computer labs, science labs, purified drinking water and a modern canteen.

Today we have 11 undergraduate, 8 postgraduate and 4 M.Phil. courses. A three year degree course in B.Sc. Digital Print Media is one of the unique courses offered by the College.

We have national level outstanding performances in Academics, Culturals, Seminars, Sports, and the like. Considerable growth has taken place in skill development courses like Computer Applications, Communication Skills and Placement Training. Extra-curricular activities like N.S.S., R.R.C., Y.R.C., E.D.C., C.C.C., Green Campus, celebration of National and Regional festivals enhance the quality of campus life.

The Don Bosco College of Education (B.Ed.) was established in 2012 by the same Management, in order to give a further boost to the aspiration of students to become professionally qualified teachers.

MOTTO

Mens sana, in corpore sano - A healthy mind in a healthy body.

GOALS

Excellence and Empowerment

VISION

The Community of Don Bosco College, inspired by divine and human values, following the educative system of Don Bosco, is committed to the creation of an educated, ethical and empowered poor and rural youth.

MISSION

We are committed to developing integral values through individual and group work in a familial atmosphere. We aim at serving the under-privileged youth enabling them to root out social evils, building communities and promoting an educated and just neighbourhood. We work towards academic excellence, entrepreneurship and developing skills relevant to creation of a happy society.

THE COLLEGE COAT OF ARMS

Don Bosco College (DBC) shines as a bright burning candle imparting knowledge – symbolized by a book, thus influencing the world. The words EXCELLENCE and EMPOWERMENT indicate human and academic excellence, the hallmark of Don Bosco College which enables all students to empower the world in which they live.

The saying *Mens sana in corpore sano* means 'A healthy mind in a healthy body.' This is an abbreviation of the statement, "your prayer must be that you may have a sound mind in a sound body" from the Latin poet Juvenal giving a prescription for happiness. A healthy body contributes greatly to a happy mind and spirit leading to holistic education.

DON BOSCO'S SYSTEM OF EDUCATION

The pedagogy of Don Bosco may be renamed for our times as the 'pedagogy of expression' because it is a system of education that is designed to enable a student to grow fully and freely into the kind of person he or she is 'meant' to be. Don Bosco himself called his educative method 'the preventive system' – a name he chose to contrast it with the 'Repressive System' in vogue during his time. The latter was a type of education that used fear of punishment as the basis for control. In contrast, Don Bosco's Preventive Method would seek to 'prevent' the very need for punishment by placing the child in an environment in which he/she is encouraged to choose the 'good' rather than the 'bad'. In positive terms, this environment would create a healthy, congenial and friendly atmosphere in order to elicit the best that a student can offer – his/her complete self-expression.

The roots or the invisible principles of Don Bosco's 'system of expression' are 'Rapport', 'Religion' and 'Reason', while the trunk or visible body of this educational method is 'Presence'. These are the four principles of his educational system.

This 'presence' of the teacher in the life of the student is the epitome of Don Bosco's educative system. For rapport, religion and reason to be truly lived out with one's students, teachers have to be present in a way that is qualitative. This calls for a type of presence that has the following characteristics:

(a) A Motivating Presence: One that infuses enthusiasm, encouragement and optimism. The presence of the educator infuses in the child a thirst for knowledge through the tactful use of queries, experiments, and exposure to new and educative environments.

(b) A Personal Presence: The presence of the teacher is such that each child feels known, loved and accepted. This is all the more essential when relating to children having different levels of intelligence that are weak, differently abled and underprivileged.

(c) An Incarnational Presence: As explained under the section on 'rapport', loving what your students love or 'getting under their skin' has an important purpose: seeing the world through their eyes will make them want to experience the world and the values you live by.

(d) A Creative Presence: That is open to the joy of discovery. Life is too rich, too precious, too varied to be experienced between the fine print of cold textbooks or within the walls of classrooms. Being open to discovery means being ready to try new ways, new solutions, and new ideas. Risk is a necessary ingredient of all creative learning.

(e) A Preventive and Corrective Presence: Students are prone to forget rules. Being there with them would help prevent exposure to harm. Furthermore, timely reminders do help. But these reminders must be respectful of the offender. A presence that instills fear and punishment does more harm than good. In his letter to his Salesians, Don Bosco advised:

"My sons, how often in my long career has this great truth come home to me! It is so much easier to get angry than to be patient, to threaten children rather than persuade them. I would even say that usually it is so much more convenient for our own impatience and pride to punish them than to correct them patiently with firmness and gentleness." (Letters of John Bosco, 201)
